S. Burks, D. W. Jensen, L. M. Terman, assisted by A. M. Leahy, Helen Marshall, M. H. Oden** ,1930 The Story of Fifine Bernard Capes,2024-01-05 Excerpt I always come back to Paris or to London as to a rich feast after abstinence There are the reserves of perfect health to draw upon for its enjoyment and I enjoy it while the reserves last But on the first sign of their depletion I return to my lentils and spring water which can stand my happiness in quite as good stead as young partridges and Montrachet So the New Zealand shepherd come once in a while to town dissipates in a week of glorious debauch the accumulated earnings of a year or so spent in the comfortable solitudes I don't blame him on the contrary What is the sense of storing up health and vigour for no other purpose than like a miser to hoard them I use my physical energy to serve every ounce of me brain nerves and organs A man in health is a man in happiness whether he be dining at Voisins or on ripe figs on the hot rocks of les Baux And I am a man in health thank my good stars for that Of all the great cities I have sojourned in Paris more than in any other I have not like Byron shaken the dust of my native land off my shoes but I came so early abroad that English ways have grown foreign to me I did not in fact ever fit into their social scheme though somewhere in my heart a respect survives for it But the little island is too small for me or I am too big for it There is not my peer there in the art of modelling not a piece of native sculpture that I should like to acknowledge for my own **Out On a Limb** Louise Maxwell Baker,2017-01-12 At the age of eight Louise Baker lost her right leg above the knee as a result of a road accident she was on her very first bike ride With a grand sense of humor and great spiritual courage she faced life with a seemingly irreconcilable handicap OUT ON A LIMB her personal story is not only one of the most stimulating and amusing books but even more it will be a revelation to all who have at any time been faced with personal disaster Louise Baker mastered her tragedy and had a whale of a lot of fun doing it One moment she would play the part of a dare devil female parachute the next a fearless alpine skier whose foot had been frozen rescuing a snowbound child she had to fabricate the most fantastic tales to crush the typical little boy question Hey Lady Where's your leg She made her very crutches a part of woman's vanity using different colors for different ensembles She did everything a normal woman could do and more competed with other reporters on a news beat discovered her own and highly unconventional means of holding her beaux in college went to live with her new husband in the wilds of Arizona set out on a

hilarious trip to Europe Whenever the world seemed totally against her she could console herself with Webster s definition of handicap A race in which an artificial disadvantage is imposed on a superior contestant OUT ON A LIMB has a special significance for these times Louise Baker s story is told with sympathy and an understanding for all who have suffered similar misfortunes Her life was not one colored with unhappiness but filled with energy and purpose the picture of a woman who enjoyed each day to the fullest
