undisputed facts that have the capacity to enhance our spiritual thoughts and expand our awareness of the reality of God's existence and the true presence of the human Soul. *Certainty from Uncertainty* examines the words and thoughts of many of the world's greatest philosophers, scientists, intellectuals, and metaphysicians and develops through their thoughts a compelling argument for the existence of God, the Soul, and the evolution of the human Soul to Omega Consciousness, a state of human consciousness in which the consciousness of God and humankind are identical. Dr. Prato takes the reader for a hand-in-hand walk with the world's greatest thinkers and intellectuals. Without preaching to the choir, he appeals to skeptics and believers alike, presenting compelling evidence of God's existence from many of the brightest minds in our history outside the religious realm. What were the spiritual thoughts of Socrates, Plato, and Aristotle? Of renowned scientists such as Charles Darwin, Albert Einstein, Niels Bohr, Werner Heisenberg, Henry Margenau, and many others, nearly all Nobel Prize winners? What thoughts of God did Baruch Spinoza, Wilhelm Liebniz, Larry Dossey, and David Bohm have in common? Does the history of the thoughts of these profound thinkers allow us to understand how they came to a near-identical belief in the Universal Presence? How do their thoughts coincide with the thoughts of the Prophet David when he wrote his timeless 23rd Psalm? *Certainty From Uncertainty* raises the veil on these magnificent intuitive connections. *Of Certainty From Uncertainty*, Larry Dossey, M.D., author of *Healing Words* and *Recovering the Soul*, says, "The great task of a lifetime is to find our way to the Absolute or God, however conceived. This spiritual text is a guide for our time which many people who are engaged in spiritual work will find immensely helpful." Peter Prato shows us there is a final common pathway uniting science, spirituality, and healing. His message is about unity, which our age desperately needs to recover. *Certainty From Uncertainty* leads us through these esoteric thoughts filled with mystery and wonder into the realm of the miracle and the near-death experience, then to Omega Consciousness, a state of being where humans become fully integrated with the consciousness of God.
