Disciplining Young Children:

Disciplining Young Children Kristin Thoennes Keller, 2000 A guide for teenage parents that defines discipline explains child temperaments and gives advice on how to avoid problem behaviors and what to do when they occur [Disciplining Someone Else'S Children](#) Dr. Mattie L. Solomon, 2015-06-05 If this were my child I would This is a familiar phrase commonly heard from someone confronting a discipline issue with someone else's child What do you do when you feel a child left in your care is out of control What do you do when you can't lean on what you felt worked with your own children like a good spanking *Disciplining Someone Else's Children* answers this question by providing strategies that support the emotional and social development of young children while setting limits for a safe learning environment Discipline scenarios are also provided as a tool to examine the interactions between children and teachers and offers an opportunity to use the strategies stipulated to correct undesirable disruptive behavior **Young Children's Behaviour** Louise Porter, 2008 In the third edition of this landmark text Louise Porter draws on current evidence based research to explore prominent theories about young children's behaviour With her customary clarity and ever accessible style Porter provides practical strategies for caregivers and teachers that are designed to promote children's skill development foster children's willingness to cooperate with others and safeguard children's emotional needs Back cover **The Training of Young Children on Christian and Natural Principles, Etc** George Moore, 1872 **Methods of Disciplining Children, a Comparative Study of Mothers' Report in Two Occupational Groups** Theresa Hansel, 1950 **Positive Discipline: The First Three Years, Revised and Updated Edition** Jane Nelsen, Ed.D., Cheryl Erwin, MA, Roslyn Ann Duffy, 2015-02-24 The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy well behaved and successful children Research has shown that the first three years in a child's life are a critical moment in their development and that behavior patterns instilled during that time can have profound implications for the rest of a child's life Hundreds of thousands of parents have already used the advice in *Positive Discipline The First Three Years* to help set effective boundaries forge strong foundations for healthy communication and lay the groundwork for happy and respectful relationships with their young children Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques **Mom's Guide to Disciplining Your Child** Vicki Poretta, Ericka Lutz, 1997-10-29 Disciplining your child doesn't have to make you feel like an army commando Hey Mom Yes you know who you are You're the one juggling the beeper the defrosted chicken the carpool schedule and your kid's soccer ball at the same time You know the score when it comes to recognizing when your little angel is up to no good But when it comes to laying down the law you're never sure how to choose a punishment that fits the crime

And with both hands full at home and pressures mounting at work you don't know how you're going to find time to keep tabs on your child every minute of the day Don't give up hope yet The Mom's Guide to Disciplining Your Child is specially designed to help busy moms of kids age 8-14 take a more active role in shaping their kids' behavior Produced by Alpha Books the team that publishes the highly successful Complete Idiot's Guide series Mom's Guides are easy to use and written in a warm conversational tone by moms who have been there and back with their own kids In this Mom's Guide you get Solid information on being a reasonable and even fun authority figure Helpful hints on working as a disciplining duo with your partner Friendly advice on talking and listening to your child No nonsense guidance on solving tough discipline problems such as lying and talking back Mom Knows Best tips Mom Always Said warnings Wise Words definitions and All in the Family anecdotes to coach you along the way Check out the Mom's Guide web site www.momsguide.com Look for These Other Titles in the Mom's Guide Series Mom's Guide to Sports Mom's Guide to Raising a Good Student Mom's Guide to Your Kid's Nutrition

Handbook of Resilience in Children Sam Goldstein, Robert B. Brooks, 2023-03-09 The third edition of this handbook addresses not only the concept of resilience in children who overcome adversity but it also explores the development of children not considered at risk addressing recent challenges as a consequence of the COVID-19 pandemic The new edition reviews the scientific literature that supports findings that stress hardiness and resilience in all children leads to happier and healthier lives as well as improved functionality across the lifespan In this edition expert contributors examine resilience in relation to environmental stressors as phenomena in child and adolescent disorders and as a means toward positive adaptation into adulthood The significantly expanded third edition includes new and significantly revised chapters that explore strategies for developing resilience in families clinical practice and educational settings as well as its nurturance in caregivers and teachers Key areas of coverage include Exploration of the four waves of resilience research Resilience in gene-environment transactions Resilience in boys and girls Resilience in family processes Asset building as an essential component of intervention Assessment of social and emotional competencies related to resilience Building resilience through school bullying prevention Resilience in positive youth development Enhancing resilience through effective thinking The Handbook of Resilience in Children Third Edition is an essential reference for researchers clinicians and allied practitioners and graduate students across such interrelated disciplines as child and school psychology social work public health as well as developmental psychology special and general education child and adolescent psychiatry family studies and pediatrics
