Discovering God Within:

Discovering God Within Us Anthony Okorie, 2024-09-20 In a world that often seems disconnected from the divine Discovering God Within Us offers a profound exploration of our identity as creations of God This inspiring and transformative book invites readers on a journey to realize and embrace the deep truth that we are made in the image of God endowed with divine attributes and called to live according to His guidance Through a series of insightful chapters the book delves into the many ways in which God's presence is reflected in our lives from our innate creativity to our relationships our responsibilities as stewards of the Earth and our moral and spiritual choices Each chapter illuminates how these aspects of our lives are not merely human traits but are reflections of the divine image within us drawing us closer to our Creator Discovering God Within Us also addresses the profound significance of God's commandments likening them to a divine manual that guides us in living a life that aligns with our true nature and purpose It explores the consequences of straying from this path and the hope offered through Jesus Christ who provides us with the way back to God's love and eternal life Perfect for those seeking spiritual growth deeper understanding and a more meaningful relationship with God this book is a call to embrace our divine identity to live with purpose and intention and to reflect God's love wisdom and creativity in all aspects of our lives Whether you are just beginning your spiritual journey or looking to deepen your faith Discovering God Within Us will inspire you to see yourself and the world around you in a new light recognizing the divine within and living out your God-given purpose

Discovering God Within John R. Yungblut, 1979-01-01 **The Joy Of Discovering God In Our Lives** AA

Lambert, 2014-12-26 Study and review of our COLLECTIVE EVOLUTION has resulted in Our scientific discoveries Our current technology Our knowledge regarding our origin development and current existence All of which tends to dismiss belief in the existence of a God who created us and our entire reality its easy to conclude that WE ARE ON OUR OWN and that EVERYTHING THAT'S EVER HAPPENED are but FLUKY CHANCE RANDOM OCCURRENCES STILL WE MARVEL at the incredible glory beauty majesty awesome power complexity magnificent design and wonder in our observed reality of both our world and our universe We reflect on GOODNESS and EVIL in our world and realise that EVOLUTION really has NO STANDARDS regarding good and evil These only exist in our minds and are judgements of what happens in our lives and our relationships with others Our history however shows us that this concept is very important in our lives and that our ancestors believed in and developed systems incorporating good and evil resulting in worship of a God or Gods that existed and controlled all humanity WERE THEY ALL WRONG I don't think so this book acclaims with joy God's existence His love for us and His desire to help each of us to find our path back to Him So that we can share Eternity with Him **Discovering God in Science** Charles E. Steele, 2009-07 Did the Big Bang create the universe Did life start by chance all without a cause Does God exist New discoveries in science are now pointing to the need for a Creator to explain the unexplainable Science is observing that many features of our universe could not have happened purely by chance Despite the academic dominance of

philosophical naturalism and materialism many scientists are bravely putting forth the God Hypothesis as an alternate theory to the origin of the universe Yet many students are being bombarded by unbiblical theories when they go to school and they are thus losing their faith in God In events like these it is important to know how to articulate a Christian worldview If you are interested in a cutting edge debate between science and religion then *Discovering God in Science* is a must read Join new author Charles E Steele as he offers insight into this ongoing debate *Discovering God in Science* is sure to equip encourage and guide students of all ages in their faith in the Creator Charles E Steele has had a lifelong interest in astronomy and science He graduated from the University of Cincinnati with a B S in industrial design In 1969 he joined the U S Air Force where he was stationed at Ramstein A B West Germany His interest in science and technology has allowed him to be awarded 11 U S Patents He has been listed in Who s Who in the Midwest He currently lives in Michigan with his wife and mother where he remains semi active as a design consultant

Finding God in a Holy Place Chris Cook,2010-07-08 Focussing on Durham Cathedral this is a practical guide to prayer in holy spaces concentrating on the places where we can go to be closer to God

Finding God in My Life Edmund Flood,1991 Here is a prayerbook for everyday people Integrating experience reflection and response Flood helps us recover the light of prayer in everything we do in all the event of our lives Fr Flood shows us how to turn our reflect5ion on everyday experience home family good times and bad anger and death into prayerful grace filled moments Here are prayer starters for holidays mealtimes work and relaxation Good friends weekends neighbors money our church all of these ordinary but very real places are indeed God s chosen places for the most effective appearance of grace in our lives

Finding God in Ordinary Time Christine Marie Eberle,2019-08-31 Take a wide eyed look at your life the commonplace joyful and even heartbreaking events and discover the presence of God hidden in plain sight Forget bowing your head and closing your eyes The secret to prayer is what happens when you re not trying to pray This is the invitation of Christine Eberle s *Finding God in Ordinary Time* Each daily reflection contains a true story and a nugget of spiritual insight accompanied by thought provoking questions and a memorable Scripture quote Together they reveal a God who is playful and affectionate merciful and compassionate and always relevant Warm accessible and surprisingly funny Christine offers spiritual nourishment to people skeptical or weary of religion while still giving the faithful something to chew on Simple enough to be devoured in one sitting this intimate little book is best enjoyed slowly Each piece deserves to be savored and revisited through the unfolding of each ordinary extraordinary day

Finding God in Unexpected Places Philip Yancey,2005-03-15 The traces of God can be found in the most unexpected places an Atlanta slum a pod of whales off the coast of Alaska the prisons of Peru and Chile the plays of Shakespeare a health club in Chicago yet many Christians have not only missed seeing God they ve overlooked opportunities to make him visible to those most in need of hope In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious pointing out glimpses of the eternal where few might think

to look Whether finding God among the newspaper headlines within the church or on the job Yancey delves deeply into the commonplace and surfaces with rich spiritual insight Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa and each stop along the way reveals footprints of God touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence Finding God in Millersville ,1917 **Finding God** Russell Henry Stafford,1923 **Finding God in All Things** Michael J. Himes,Stephen J. Pope,1996 These essays deal with four major themes the relationship between belief and unbelief the connection between religion and science the interpenetration of theology and spirituality and the nature and value of higher education within the Catholic context themes that reflect the persistent quest to discern the presence and action of God within the multiple dimensions of human existence

Discovering the God Within John R. Yungblut,1994-01-01 Argues that in the mystical traditions of Augustine and Meister Eckhart through to Pierre Teilhard de Chardin and the psychologist C G Jung lies a mystical way which can offer much to anyone trying to find a spiritual approach to life *Annual Session of the Baptist Congress* ,1902 **God's Voice Within** Mark E. Thibodeaux,2010 Many of us do not trust our own thoughts feelings and desires when it comes to discerning God s will Instead we look outside ourselves to determine what God wants from and for us In God s Voice Within spiritual director Mark E Thibodeaux SJ shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources but from God working through us God s Voice Within is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment specifically Ignatian discernment a daily practice Ultimately God s Voice Within teaches us to discern what is at the root of our actions and emotions which in turn allows us to respond to God s promptings inside us rather than unconsciously reacting to life around us **Upper Room Bulletin** Upper Room Bible Class (Ann Arbor, Mich.),1923 **The Twilight of Christianity** Harry Elmer Barnes,1929 The Assembly Herald ,1919 **The Open Court** ,1887 **The Christian Workers Magazine** ,1918
