that five major issues must be settled before attempting an evaluation 1 the evaluation s purpose 2 clients or audience 3
specific questions to investigate 4 use of an internal or external evaluator or a combination and 5 dissemination of the
evaluation and types of decisions to be made based on its results The matrix of the model includes the following elements 1
the philosophy and basic purposes of the program 2 objectives or intended outcomes of the evaluation 3 collection and
assessment of data 4 characteristics of students faculty college policy program budget and administration 5 interactions
between mentors and students in the actual working curriculum 6 outcomes attributable to the program 7 external factors
