Academia and Higher Learning in Popular Culture Marcus K. Harmes,Richard Scully,2023-07-24 This edited volume focuses on the cultural production of knowledge in the academy as mediated or presented through film and television This focus invites scrutiny of how the academy itself is viewed in popular culture from *The Chair* to Terry Pratchett's *Unseen University* and *Doctor Who*'s *Time Lord Academy* among others Spanning a number of genres and key film and television series the volume is also inherently interdisciplinary with perspectives from History Cultural Studies Gender Studies STEM and more This collection brings together leading experts in different disciplines and from different national backgrounds It emphasises that even at a point of mass global participation in higher education the academy is still largely mediated by popular culture and understood through the tropes perpetuated via a multimedia landscape

Thud! Terry Pratchett, 2009-10-13 Start with Douglas Adams's comic science fiction *A Hitchhiker's Guide to the Galaxy* and J.R.R. Tolkien's alternative worlds mix in James Ellroy's gritty realism and Jonathan Swift's unflinching satire and if you're lucky you'll get something like Terry Pratchett's *Thud* Wall Street Journal City Watch Commander Sam Vimes must solve the murder of a prominent dwarf or watch as Discworld is plunged into a bloody civil war in Terry Pratchett's brilliant tale of prejudice ancient feuds and tender fatherhood Long long ago in a god's forsaken hellhole called Koom Valley trolls and dwarfs met in bloody combat Centuries later each side still views the other with simmering animosity that has been heightened of late because of one Grag Hamcrusher The influential dwarf has been fomenting unrest among a section of Ankh Morpork's citizenry a volatile situation made far worse when the petite provocateur is discovered bashed to death with a troll club lying conveniently nearby If he doesn't solve the murder of just one dwarf Commander Sam Vimes of Ankh Morpork City Watch is going to see it fought again right outside his office But more than one corpse is waiting for Vimes in the eerie summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh Morpork's streets With war drums beating ever louder Vimes must unravel every clue outwit every assassin and brave any darkness to find the solution And the darkness is following him pulling him deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself Until six o'clock every day when without fail the Commander goes home to read *Where's My Cow* with accompanying farmyard noises to his little boy Because there are some things you must do The Discworld novels can be read in any order but *Thud* is the 7th book in the City Watch collection and the 34th Discworld book The City Watch collection in order *Guards Guards Men at Arms Feet of Clay Jingo The Fifth Elephant Night Watch Thud Snuff*

Subcreation:
Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J.R.R. Tolkien's original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader's willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader's acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader's immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia

Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams's and Terry Pratchett's fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett's Discworld retains a feeling of Britishness that is not to be found in Williams's Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author's Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media

The Discworld by Terry Pratchett Alexander Asper-Nelson,2000 **The Truth** Terry Pratchett,2009-10-13 Pratchett's The Truth will set you free and laughing If Dr Who had been conceived written and performed by Monty Python's Flying Circus the result might be something like Discworld The Truth sets its sights on an enduring institution the news media and skewers it CNN Ankh Morpork gets its first newspaper unleashing a war of words and a battle for the truth in this in this funny wise and prescient novel in Sir Terry Pratchett's internationally bestselling Discworld series The Discworld has seen just about everything Then comes the Ankh Morpork Times its first paper of record edited by struggling scribe William de Worde and staffed by a band of axe wielding dwarfs and a recovering vampire with a life threatening passion for flash photography Reporting the news is a risky business An ethical journalist de Worde has a nasty habit of investigating stories that quickly create powerful enemies eager to stop his presses And what better way than to start the Inquirer a titillating tabloid that conveniently interchanges what's real for what sells When de Worde gets a tip on a hot story concerning Ankh Morpork's leading patrician Lord Vetinari all hell breaks loose leaving the city without a leader The facts say Lord Vetinari is guilty But as William de Worde learns facts don't always tell the whole story There's that pesky little thing called the truth The Discworld novels can be read in any order but The Truth is a standalone *Monstrous Regiment* Terry Pratchett,2009-10-13 Wickedly satirical nothing short of brilliant Publishers Weekly starred review New York Times bestselling author Sir Terry Pratchett explores the inanity of war sexual politics and why the best man for the job is often a woman in this acerbically funny and poignant Discworld novel In the small country of Borogravia there are strict rules citizens must follow Women belong in the kitchen not in offices pubs nor pants And certainly not on the front lines when war comes to Discworld Polly Perks took over running her family's humble inn when her brother Paul marched off to war But it's been more than two months since his last letter home and the news from the front is bad To find her missing brother the resourceful Polly cuts off her hair and joins the army as a young man named Oliver As Polly closely guards her secret she notices that her fellow recruits seem to be guarding secrets of their own And before they've learned to properly march Polly and her fellow raw recruits find themselves in the thick of a losing battle All they have on their side is the most artful sergeant in the army and a vampire with a lust for coffee No matter it's time to make a stand The Discworld novels can be

read in any order but *Monstrous Regiment* is a standalone

Making Money Terry Pratchett, 2007-09-18 The Ankh Morpork Post Office is running like well not at all like a government office The mail is delivered promptly meetings start and end on time five out of six letters relegated to the Blind Letter Office ultimately wend their way to the correct addresses Postmaster General Moist von Lipwig former arch swindler and confidence man has exceeded all expectations including his own So it s somewhat disconcerting when Lord Vetinari summons Moist to the palace and asks Tell me Mr Lipwig would you like to make some real money Vetinari isn t talking about wages of course He s referring rather to the Royal Mint of Ankh Morpork a venerable institution that haas run for centuries on the hereditary employment of the Men of the Sheds and their loyal outworkers who do make money in their spare time Unfortunately it costs more than a penny to make a penny so the whole process seems somewhat counterintuitive Next door at the Royal Bank the Gloopster an analogy machine has scientifically established that one never has quite as much money at the end of the week as one thinks one should and the bank s chairman one elderly Topsy n e Turvy Lavish keeps two loaded crossbows at her desk Oh and the chief clerk is probably a vampire But before Moist has time to fully consider Vetinari s question fate answers it for him Now he s not only making money but enemies too he s got to spring a prisoner from jail break into his own bank vault stop the new manager from licking his face and above all find out where all the gold has gone otherwise his life in banking while very exciting is going to be really really short

The Fifth Elephant Terry Pratchett, 2009-10-13 Pratchett cheerfully takes readers on an exuberant tale of mystery and invention Along the way he skewers everything from monarchy to fascism as well as communism and capitalism oil wealth and ethnic identities Russian plays immigration condoms and evangelical Christianity in short everything worth talking about Publishers Weekly Elephants werewolves and ruby tights oh my collide in this clever Discworld tale rich in mystery myth intrigue and a dollop of diplomacy from the legendary New York Times bestselling author Terry Pratchett Everyone knows that the world is flat and supported on the backs of four elephants But weren t there supposed to be five Indeed there were So where is the fifth elephant Commander Sam Vimes of the Ankh Morpork constabulary is the man to find out A copper through and through he s been invited to attend a royal function as a diplomat ambassador to the mysterious fat rich country of Uberwald complete with ruby tights Of course where cops go crime follows An attempted assassination and a theft soon lead to a desperate chase from the low halls of Discworld royalty to the legendary fat mines of Uberwald where lard is found in underground seams along with tusks and teeth and other precious ivory artifacts It s up to the dauntless Vimes to solve the puzzle of the missing pachyderm After all that s what he does Only there are monsters on his trail bright fast toothy werewolves And they re catching up The Discworld novels can be read in any order but *The Fifth Elephant* is the 5th book in the City Watch collection The City Watch series in order Guards Guards Men at Arms Feet of Clay Jingo *The Fifth Elephant* Night Watch Thud Snuff
