Forever Tourmaline Karen L. Moran,2023-11-29 In a bohemian mountain village in southern California Karen grows up surrounded by free spirits and dissidents The child of artists her natural path is to become one but her dreams call her out into the unfamiliar and dangerous world One day while playing in a river Karen suffers severe trauma Panther a dark figure enters her dream life Unseen it stalks her cross country as young love carries her away to an old mansion in Key West home of the colorful Elias family Pregnancy marriage and an uncomfortable confinement follow and the archetypal image of Panther continues to haunt her life Will this mountain girl survive the larger world Left alone in the old Victorian while her husband and his family pursue their various enterprises she discovers a secret room in the attic a ship s galley full of old books and maps Here a new dream figure a native woman emerges revealing the story and secrets of the mansion and guiding Karen through the perils of Hurricane Betsy an island murder and her husband s disappearance Weaving together startling events and vivid dreams Forever Tourmaline tells the story of Karen s unimaginable odyssey and its surprising conclusion

Forever & Beyond Hrishikesh Sasikumar,2014-07-22 My name is Brandon Crasta I m an ordinary man My life hasn t been the breathtaking adventure I d have imagined it to be when I was young but neither has it been the publicly uninteresting spectacle as people brand the common man s life to be It s been a mixture of both and no matter how you choose to view it this does not erase the footprints of my path or the choices I have made I m proud of the things I ve done and though some of them may have been outrightly stupid I ve followed my heart and fulfilled most of my dreams and I think to me that is enough

Strokes of the Soul Liril Machaiah,2016-03-23 Lifes a journey and every moment is about learning from experiences good or bad Its a process of dealing through pain and walking out to bliss and keeping it at that Its about meeting challenges with courage and getting out fearless and brave Its about the excitement in love and heartbreaks thereafter Its about living those feelings and growing spiritually Its about becoming a more refined soul by every experience by every passing day Its about admiring and honouring the beauty of nature and treating her with utmost respect Its about knowing and understanding from all your senses for then the perception is divine and eternal This book is thus an assortment of moments and experiences that would take the readers on a journey that they could reverberate It goes out to say to the people they are not alone in all they are facing though not together but individually there are many more in the same space
