Drift House:

The Drift House Dale Peck,2006-11-01 Sent to stay with their uncle in a ship like home called Drift House twelve year old Susan and her stepbrothers embark on an adventure involving duplicitous mermaids pirates and an attempt to stop time forever

Housing Culture M.H. Johnson,2003-10-04 Housing Culture is an inter disciplinary study of old houses It brings together recent ideas in studies of traditional architecture social and cultural history and social theory by looking at the meanings of traditional architecture in western Suffolk England The author employs in an English context many of the ideas of Glassie Deetz and other writers on the American colonies In so doing the book forms an important critique and refinement of those ideas and should prove an indispensable background text for American historical archaeologists in particular The study spans the late medieval and early modern periods looking at the layout and structural details of ordinary houses It argues for a process of closure affecting both technical and social aspects of houses The context of the process of closure is explored and related to wider social and cultural changes including the feudal capitalist transition Housing Culture embodies an innovative and exciting approach to the study of artefacts in an historic period It will interest historians historical geographers and archaeologists of the medieval and early modern periods in both England and America It is also sure to be of interest to students of all areas and periods who seek a theoretically informed approach to the study of traditional architecture and material culture in general This book is intended for archaeologists historians particularly of landscape architecture the medieval period social and cultural historical geographers students and researchers of material culture such groups are found within departments of archeology history and anthropology
