Drifter39s Vengeance:

Vengeance Shara Azod, 2019-08-12 Her scars ran so deep her soul had been severed in two Michelene had killed and run but not far enough or fast enough They d found her Azriel had but one rule No attachments This rule had kept him alive He d lived by it until her She d found her savior in a man whose past was even darker than her own and whose soul held shadows of that dark He made her body explode in ways she d never imagined possible and gave her heart something she d long given up hope Michelene was his saving grace The only thing which kept the darkness from consuming him She was his to protect and cherish God help anyone who challenged that because Vengeance would be his EXCERPT There wasn t time to cringe In a split second she saw something flash in her mystery man s eyes something dark and deadly Sensing he was about to move her hand shot to his shoulder her heart pounding as she tried to communicate her desperate plea with her eyes Please don t The panic that was squeezing her throat wasn t because she was afraid for Vic she could care less about that greasy pig Nor was she concerned this man could be hurt She knew she couldn t afford scrutiny She d managed to be virtually unseen for four years it had to remain that way It was amazing this man didn t know who she was Vic s an ass but he s harmless Her words weren t moving him in the least There was no visible change in his manner but Michelene sensed he was growing more pissed more dangerous He s never laid a hand on me That worked She felt his tension drain a bit while he stared pointedly at where her hand rested on him She didn t move it Slowly he turned those ghostly eyes back to her face If he talks to you like that again I will end him Would most women feel the same thrill she did at his words Not having much experience with normal people Michelene really couldn t say But she certainly felt thrilled right down to her toes Pussy clenching she knew she needed to put a little space between them before she did something that would garner even more attention Before it came to that she tried to move but found her arm caught in a vise made of hot flesh Your name he growled his piercing glare keeping her rooted to the spot every bit as much as his hold Michelene she whispered back not even considering giving him a fake name Besides she was sick of not being herself There was something about him a danger a certain off ness that called to her told her she could be herself around him Nice to meet you Michelene There went that smile again Just that tiny sign of approval succeeded in melting her formerly icy insides I m Azriel Seth Vengeance Brian Pinkerton, How far would you go for justice Rob and Beth are very much in love He has just proposed to her but she won t live to see the wedding Instead Beth is intentionally sideswiped by an angry driver and knocked off her bike to her death Rob witnesses the whole thing but he can only stand by helplessly as the driver gets off with a slap on the wrist Rob is devastated He becomes obsessed with making Beth s killer pay Then one day a strange man approaches Rob with what seems to be the answer to his prayer He offers Rob the justice he s been so desperately seeking He tells Rob about The Circle a small group of people with one thing in common They all want revenge for something Together they will find it But Rob will learn only too late that there is a catch Vengeance David Drake, 1991 **Vengeance!** Dana Fuller Ross, 2002 , **Vengeance Is Now**

accusation leveled and proven by Alex's own brother Tory is determined to take revenge on the family who falsely accused him and to win back the woman he's always loved. If he can't win her heart, though, he'll settle for her body, preferably tied up, flogged, and begging for him. When they find themselves in the middle of a brewing civil war, they have to learn to trust each other with more than just their bodies. If they can't, humanity itself may pay the price. **Sweet Revenge** John Steele, 2006-12

A slender, angry account about a man who takes control, takes vengeance, takes over, and keeps on taking.

The Vengeance Game: Believe in Evil Tana Hernandez, 2016-07-13 The Vengeance Game is a tradition as old as time. Right now, three monsters and three humans have been pitted against one another in a battle of good and evil. In a normal world, now completely turned upside down, Eric Denari, Trisha Ivering, and Devlyn Logan must square off against deadly and dangerous enemies from their past and fight for a chance at survival. As legends of the Underworld, Vlad Craft, Wesley Renwick, and Vitz Venentile are a force to be reckoned with and hell-bent on making their victims pay. Who will win in this demon's game of revenge? **Vengeance** LeRoy Edwin Powell III, 2003-09-08

With the enemy unveiled, the Complot has pummeled Vengeance to its lowest point. Broken and leaderless, the team's survivors receive help from those deemed enemy while suffering at the hands of those they trust. Should luck favor Vengeance and they find victory, there is still a matter of truth to be discovered. Why? *Sweet Vengeance* Daphne De Jong, 1981-12-01 *Torn By Vengeance* Sally Brandle, 2024-12-17

Feel the suspenseful well of bottled-up revenge as villainous plans unfold. Fear for the unsuspecting heroine as she experiences the sensations of attraction with a hero worthy of her attention. Pull for their lives and their love as money and power challenges all that they live for. **VENGEANCE: Snow and Vengeful Reapers** Theodora Taylor, 2022-03-22

Vengeance isn't just a team of enforcers; they're a destination where all morals and good sense get checked at the door. Every server at the roadhouse I work at knows that Vengeance is a package deal. The three enforcers for the Ruthless Reapers don't just share a job; they share you for one night if you dare to go to one of the rooms upstairs with them. Whenever they come into the roadhouse, they stare at me. Three wolves just biding their time until I agree to be their next meal. But you know what? Hard pass. I'm on the last six months of my five-year plan to become a certified doctor. And giving my body to three outlaw bikers is not one of the items on my sensible checklist. Besides, I've learned the hard way you can't trust anyone but yourself. So nope. No way. Uh, unh. It doesn't matter if they make my stomach flutter and my seriously neglected nether regions stir with some very bad thoughts. I'm not budging from my five-year plan. But then my aunt's boyfriend attacks me. One moment I'm calling Vengeance as a last resort, and the next I'm waking up in their bed. Vengeance has me now. And Reapers don't date. They POSSESS. New plan: Figure out how to escape from these three men before they convince me to give them everything they want. My body, my mind, my heart, maybe even my soul.
