Eating, Drinking, Overthinking Susan Nolen-Hoeksema,2013-07-30 The author of Women Who Think Too Much reveals a hidden source of depression in women with useful recommendations for change Psychology Today Depression is a common and debilitating problem among women though it rarely occurs in a vacuum As Susan Nolen Hoeksema s original research shows overthinking a tendency to

ruminate on problems rather than to seek solutions often co exists with unhealthy eating habits and or heavy drinking In fact eighty percent of women who report suffering from one of those also suffer from another This groundbreaking book written in a vivid narrative style that captures the complexities of women s lives today explains how the three core problems of the Toxic Triangle reinforce one another wreaking havoc on women s emotional well being physical health relationships and careers Escape is possible the author assures us for those who are already aware that they suffer from a serious problem as well as for the hundreds of thousands of others who have not yet examined the role that bingeing and purging on negative thoughts food or alcohol plays in their lives Nolen Hoeksema shows women how to harness their emotional and interpersonal strengths to overcome the stress caused by a destructive relationship with food alcohol and overthinking so that they can fashion effective strategies for living a happier healthier life
