Driven By Hope Men And Meaning:

The Righteous Man's Hope in Death Consider'd ... in a Sermon [on Prov. Xiv. 32] Preached on Occasion of the Death of the Late Reverend Mr. S. Say, Etc Obadiah HUGHES (the Younger.),1743 A Man's Guide to Prayer Linus Mundy,1998
With more than 400 prayers of yesterday and today from more than 250 men this is a modern prayer book and book about prayer for men of all faiths for those who go to church and those who don't **The Ultimate Scoring Drive** David B. Wall,2015-09-02 This book likens a mans life and faith journey to a football scoring drive Drafted by the Followers you the reader become the running back for an extraordinary team Not far into your offensive drive you realize that you face eleven hard hitting defensive opponents Each adversary uses a different tactic to stop your progress While nobody can penetrate the opposition on their own by following your lead blocker you will be heading downfield into a life of overwhelming victory This book is about every mans story and Gods story underscored by NFL players experiences on the field of life Discover how to drive to victory by following the One who has conquered all Finish The Ultimate Scoring Drive with some other men or on your own Discussion questions for each chapter can be found online free at www.UltimateScoringDrive.com *Driven by Hope* James E. Dittes,1996-01-01 In this book James Dittes invites men to embrace their spiritual and decidedly masculine way in the world Dittes confronts negative stereotypes and offers male affirming alternatives to the understanding of the nature of maleness **First Things** ,1996 The Church Impotent Leon J. Podles,1999 The current preoccupation with the role of women in the church obscures the more serious problem of the perennial absence of men This provocative book argues that Western churches have become women's clubs that the emasculation of Christianity is dangerous for the church and society and that a masculine presence can and must be restored After documenting the highly feminized state of Western Christianity Dr Podles identifies the masculine traits that once characterized the Christian life but are now commonly considered incompatible with it He contends that though masculinity has been marginalized within Christianity it cannot be expunged from human society If detached from Christianity it reappears as a substitute religion with unwholesome and even horrific consequences The church too is diminished by its emasculation Dr Podles concludes by considering how Christianity's virility might be restored In the otherwise stale and overworked field of gender studies The Church Impotent is the only book to confront the lopsidedly feminine cast of modern Christianity with a profound analysis of its historical and sociological roots **The Whole Works of the late ... Edited by Alexander Colden and others** Thomas BOSTON (the Elder.),1773 Hope Sándor Németh,2021-07-15 One of the very important messages of the Bible is hope Actually this spiritual reality that keeps people's lives on the right path is found in the pages of the Bible more often than we think This spiritual reality is what leads us to a positive inner strength and a proper faith filled attitude toward our circumstances AAR/SBL Annual Meeting Program American Academy of Religion.
