

Drift

It was a day for driving
out to empty roads to nowhere.

The air held
energy—
restless and filled with something
like a changing season,

but the sky was not ready for warmth.

Snow fell like a warning
that wanted to be ignored,
if you had a mind to drift away

in clouds that insisted on winter—

which I did.

I went along,
aimlessly,
until a vision of sunshine interrupted the gray,
spilling light through soft crystals,

marking a place between
the city and barbed wire protected plains.

I stopped the car and stepped out
to be a part of the suspended otherworld
of dancing shadows shaped with
freezing wind,

and I felt unsteady—

and I missed you so much more.

-Autumn Williams
