Drowning in Darkness DeAnna Pearce, Dave Benneman, 2007-10      **Drowning In Darkness** Manal Waseem, 2025-05-06

Drowning In Darkness is not just any poetry book It s more than that It will pull you into the depths of unspoken sorrow where silence is heavier than any scream It is not a book that merely speaks it listens To the wounds you hide beneath forced smiles To the echoes of a voice that was never heard To the weight of loneliness pressing against your ribs reminding you that even in a crowded room you can still feel alone These poems are not meant to comfort you they are meant to understand you This book will not offer easy answers or false hope It will not tell you to move on or to heal before you are ready Instead it will sit with you in silence during the nights where sleep refuses to come If you have ever felt like you are drowning in your own thoughts like your emotions are too heavy to carry yet too deep to express then this book is for you Let these words be the ones you could never speak
