**A Drowning War** John Winton, 1985     *A Drowning War* John WINTON, 1987     Drowning Ruth Christina Schwarz, 2008-11-19 Deftly written and emotionally powerful *Drowning Ruth* is a stunning portrait of the ties that bind sisters together and the forces that tear them apart of the dangers of keeping secrets and the explosive repercussions when they are exposed A mesmerizing and achingly beautiful debut *Winter 1919* Amanda Starkey spends her days nursing soldiers wounded in the Great War Finding herself suddenly overwhelmed she flees Milwaukee and retreats to her family's farm on Nagawaukee Lake seeking comfort with her younger sister Mathilda and three year old niece Ruth But very soon Amanda comes to see that her old home is no refuge she has carried her troubles with her On one terrible night almost a year later Amanda loses nearly everything that is dearest to her when her sister mysteriously disappears and is later found drowned beneath the ice that covers the lake When Mathilda's husband comes home from the war wounded and troubled himself he finds that Amanda has taken charge of Ruth and the farm assuming her responsibility with a frightening intensity Wry and guarded Amanda tells the story of her family in careful doses as anxious to hide from herself as from us the secrets of her own past and of that night Ruth haunted by her own memory of that fateful night grows up under the watchful eye of her prickly and possessive aunt and gradually becomes aware of the odd events of her childhood As she tells her own story with increasing clarity she reveals the mounting toll that her aunt's secrets exact from her family and everyone around her until the heartrending truth is uncovered Guiding us through the lives of the Starkey women Christina Schwarz's first novel shows her compassion and a unique understanding of the American landscape and the people who live on it     Velimir Khlebnikov Raymond Cooke, 1987-09-03 Khlebnikov is becoming recognized as one of the major Russian poets of the twentieth century having for years been dismissed as a purveyor of unintelligible verbal trickery This book provides a broad survey of his work Dr Cooke's aim is to be both informative and interpretative by mapping out the contours of Khlebnikov's still largely uncharted poetic world     *Dispatches from the Land of Erasure* Philip Metres, 2025-09-16 Drawn from a decade of writing and conversations by Arab American poet and writer Philip Metres *Dispatches from the Land of Erasure* redefines the writer's role as a catalyst for justice and a resister of empire Gathering together a wide range of writing and writers particularly from Arab and Black diaspora *Dispatches* reports on what white imperial culture attempts to erase while uplifting the voices and people who resist that erasure offering a vision of a more just and peaceful world With keen insight into the lived experience of Arab Americans and other historically marginalized communities the book explores the struggle for a just peace through reading Palestinian Arab and Israeli Jewish writers of conscience who contend with the wall of silence around the issue of Palestine Further *Dispatches* illuminates how to write a poetry of peace and justice and how poetic activism and activist poets situate themselves in communities seeking change Divided into four sections *Erasing the Erasures* *Writing While Arab* *The Poetics of Palestine* *The Poetics of Justice* and *The Poetics of Peacebuilding* *Dispatches* weaves personal
