Faupel,Gregory Weaver,2004 Unlike most texts about drug use which are written either from a counseling psychology or physiology pharmacology point of

view *The Sociology of American Drug Use* mainstreams the coverage for sociology and criminology programs and at the same time provides a broader sociological perspective on drug use. Much of this material comes from Charles Faupel's own research experience among street heroin addicts on the East coast. Several chapters offer an ethnographer's perspective on the specific issues addressed while at the same time maintaining a focus on the basics of this substantive field.
