Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue *Healing for the City* Craig Ellison, Edward S. Maynard, 2002-06-03 *Healing for the City* is a book for counseling urban dwellers in need whether they be inside or outside the church It focuses on the brokenness and typical problems of urban dwellers without assuming that all who live in the city suffer from serious dysfunctions This book was written to offer guidance to those who counsel in an urban setting to provide a response to the emotional relational and spiritual distress that one often encounters in the city The three parts of the book treat the distinctive elements of the urban context specific concerns of ethnic groups Asian Black Hispanic and approaches to particular pressing problems such as addictive behaviors divorce recovery single parenting sexual abuse etc *Healing for the City* was written for pastors social workers counselors professionals and paraprofessionals and other Christians in positions of leadership and spiritual direction *The Parent's Desk Reference* Irene M. authors provide the knowledge and tools parents need to help their kids stay or become drug free Includes a helpful study guide for personal use and group discussion **Children at Risk** Arthur V. Carrington,2002 There was a day when society shielded its children from the often cruel world At least in the so called developed countries the exposure of children to the worst perversions society can conjure up has never been greater Children have reached the exalted level of being treated seduced and targeted to as a market This bibliography brings together the literature providing access by subject groupings as well as author and title indexes *Understanding Today's Youth Culture* Walt Mueller,1998 Presents a comprehensive guide for parents teachers and youth workers to help them understand and address the issues that influence the behaviors values and attitudes of young people in their care **Christians in the Age of AIDS** Shepherd Smith,1990 Bowker's Complete Video Directory, 1998 ,1998 **Bowker's Complete Video Directory 2001** ,2001 *The Christian Librarian* ,1995 **Subject Guide to Books in Print** ,2001 **The Focus on the Family Guide to Growing a Healthy Home** Mike Yorkey,1990 Growing a Healthy Home is a home encyclopedia that addresses the issues every family faces marriage husbands and fathers children teenagers mothers and wives family activities education family problems and current issues **Partners in Parenting** ,1991 *National Guide to Funding in Health* ,1997 **The Cumulative Book Index** ,1999 *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09
