**Dry Heat** Jon Talton, 2004-10 The past is never past on the mean streets of Phoenix especially when the mercury hits a hundred and it's only April Half a century after the unsolved murder of an FBI agent the missing badge is found on the body of a dead transient The case seems a perfect fit for David Mapstone history professor turned Maricopa County deputy sheriff That is if he can get past a forced partnership with rival cold case expert Sgt Kate Vare and the FBI's strange stonewalling about the details of the agent's killing To complicate matters there are the crimes making history today like the arrest of Russian mafia members in a multimillion dollar fraud case David's wife Lindsey star of the sheriff's Cybercrimes Bureau was on the task force that busted the case wide open But her triumph is short lived when a hit in Scottsdale leaves three task force members dead Lindsey's life in danger Sheriff Peralta stashes Lindsey and David in a safe house That doesn't get the good History Shamus off the hook though as Sheriff Peralta inexplicably demands that David solve the cold case The trail will take Mapstone to the most forlorn parts of Phoenix as well as to San Francisco and picturesque southern Arizona as he slowly uncovers the bloody secrets surrounding the mysterious FBI badge He's got the brains and the leads Now all he and Lindsey have to do is live long enough to bring justice to a fifty year old crime *Concrete Desert* Jon Talton, 2011-05-27 Having recently lost his job as a history professor David Mapstone returns to his boyhood home of Phoenix Arizona to find the city dramatically changed It's now a haven for wealthy retirees and a seasonal retreat for West Coast sophisticates But pockets of his earlier life some welcome some not remain Mapstone eagerly accepts a temporary job from his old friend and Maricopa County Chief Deputy Mike Peralta Look into still open cases and see if he can close any He is beginning to settle into his new job when his college sweetheart appears at his door one evening True to his memory of her she is there because she wants something Her sister is missing and she wants Mapstone to look for her Mapstone's search for the missing woman is quickly resolved when her body is discovered in the desert but he is stunned to find the dead sister in circumstances identical to a sensational 40 year old unsolved murder Mapstone's dogged investigation of both murders bridges the chasm of clashing cultures meshing his own long ago memories with the tangled doings of newcomers and their acolytes young women eager to share the lifestyle of tainted wealth drugs and careless violence **Glimpses of Phoenix** David William Foster, 2013-05-01 Part of the self image of Phoenix is that the city has no history and that anything of importance happened yesterday Also that Phoenix the Arizona state capital is a clean city despite a past of police corruption and social oppression The real Phoenix easygoing sun drenched a place of ever expanding development and economic growth guarantees it is said an enviable lifestyle low taxes and unfettered personal freedom and opportunity Little of this is true Phoenix has been described as one of the least sustainable cities in the country This sixth largest urban area of the United States has an alarmingly superficial and tourism oriented discourse among its leaders This book examines a series of narrative works novels theater chronicles investigative reporting personal accounts editorial cartooning even a children's television program that question this

discourse in a frequently stinging fashion The works examined are anchored in a critical understanding of the dominant urban myths of Greater Phoenix and an awareness of how all the newness modernity and fun in the sun mentality mask a uniquely dystopian human experience *Dry Heat* Jon Talton,2009-10-14 Half a century after the unsolved murder of an FBI agent the victim s missing badge is found on the body of a dead transient The case seems a perfect fit for David Mapstone history professor turned Maricopa County deputy sheriff That is if he can get past a forced partnership with rival cold case expert Sgt Kate Vare and the FBI s strange stonewalling about the details of the agent s killing To complicate matters there are the crimes making history today like the arrest of Russian mafia members in a multimillion dollar fraud case David s wife Lindsey star of the sheriff s Cybercrimes Bureau was on the task force that busted the case wide open But her triumph is short lived when a hit in Scottsdale leaves three task force members dead Lindsey s life in danger Sheriff Peralta stashes Lindsey and David in a safe house Then Sheriff Peralta inexplicably demands that David solve the cold case The trail will take Mapstone to the most forlorn parts of Phoenix as well as to San Francisco and picturesque southern Arizona as he slowly uncovers the bloody secrets surrounding the mysterious FBI badge He s got the brains and the leads Now all he and Lindsey have to do is live long enough to bring justice to a fifty year old crime [Bowker's Guide to Characters in Fiction 2007](#) ,2008-02 [Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2006](#) Jeff Herman,2005-10 Now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work [Library Journal](#) ,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately [Deadline Man](#) Jon Talton,2024-04-02 He s a man we know only as the columnist He writes for a newspaper in Seattle isn t afraid to stir up trouble and keeps his life including his multiple lovers and his past in safe compartments But it s all about to be violently upended when he goes out on what seems like the most mundane of assignments looking into a staid company that never makes news The moment one of his sources takes a dive off a downtown skyscraper the columnist is plunged into a harrowing maze of murder intrigue and secrets that powerful forces intend to keep hidden at all costs All he has to go on is a corporate world where nothing is as it seems increasingly menacing encounters with mysterious federal agents and the unsettling meme eleven eleven Meanwhile the paper itself is dying So the columnist joins with an aggressive young reporter to see if one explosive story can save a newspaper Soon they re running to make the deadline of their lives *The Publishers Weekly* ,2006 **Deadline Man** Jon Talton,2011-05-27 He s a man whose life is so intertwined with his job that we know him only as the columnist He writes for a newspaper in Seattle isn t afraid to stir up trouble and keeps his life including his multiple lovers and his past in safe compartments But it s all about to be violently upended when he goes out on what seems like the most mundane of assignments looking into a staid company that never makes news *Book Review Index Cumulation* Dana Ferguson,2005-09 Book Review Index provides quick access
