Dual Allegiance An Autobiography:

Dual Allegiance Ben Dunkelman,2019-04-17 Ben Dunkelman grew up in a wealthy Jewish family in Toronto Kicked out of several schools for being a hell raiser he was sent off to Europe and the Middle East in the 1930s gaining hard experience that would serve him well in the years to come On his return he worked for the family business but when World War Two came he lost no time in enlisting Dunkelman describes the war from the ordinary soldier s viewpoint without embellishment or glorification Yet he was a hero to his men and to his country After the war Dunkelman returned to Canada but in 1948 he went to war again this time to fight for the young nation of Israel in the struggle to establish a Jewish state **Dual Allegiance** is the exciting fast paced story a man and the passions he was willing to fight for and if necessary die for **SIR WILLIAM BUTLER AN AUTOBIOGRAPHY** LIEUT-GENERAL THE RT. HON. SR W. F. BUTLER G.C.B.,1913 *The Druze between Palestine and Israel 1947-49* L. Parsons,2000-02-24 The Palestinian Druze are the only Israeli Arabs who are conscripted into the Israeli army today Based on Israeli military and political documents this book looks at the origins of the Druze s unique status in Israeli society by telling the story of the military and political alliance that emerged between the Druze and the Jewish army in the 1948 war Canada's Jews Gerald Tulchinsky,2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality Canada s Jews is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion Canada s Jews covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history We Were There: The Army Jean E. Portugal,1998 **Jewish Autobiographies and Biographies** David S. Zubatsky,1989 Archival Sources for the Study of Canadian Jewry National Archives of Canada, Lawrence F. bibliography of general histories documents on Jewish immigration reference works regional and organizational studies studies in Canadian Zionism periodical presses and theses Also gives general information on activities carried out by the Public Archives Research Division and the Manuscript Division of the Canadian Jewish Archives Program **The Black Book of Canadian Foreign Policy** Yves Engler, 2009 This book could change how you see Canada Most of us believe this country's primary role has been as peacekeeper or honest broker in difficult to solve disputes But contrary to the mythology of Canada as a force for good in the world The Black Book of Canadian Foreign Policy sheds light on many dark corners from troops that joined the British in Sudan in 1885 to gunboat diplomacy in the Caribbean and aspirations of Central American empire to participation in the U N mission that killed Patrice Lumumba in the Congo to important support for apartheid South Africa Zionism and the U S war in Vietnam to helping overthrow Salvador Allende and supporting the Pinochet dictatorship in Chile to Haiti Iraq and Afghanistan today We bear responsibility for what governments do in the world primarily our own but secondarily those we can influence our allies in particular Yves Engler's penetrating inquiry yields a rich trove of valuable evidence about Canada's role in the world and poses a challenge for citizens who are willing to take their fundamental responsibilities seriously GoogleBooks **Israel Studies**, 1997 **Library of Congress Catalogs** Library of Congress, 1979 **Saturday Night**, 1976 **With Eyes Toward Zion - III** International Center for University Teaching of Jewish Civilization. Workshop, 1991-07-30 A narrative complement to Eyes Toward Zion Volume II Praeger 1986 this important new volume presents a comparative analysis of the influence of the Holy Land on Western Societies Researched and written by a distinguished team of international scholars Eyes III illuminates both parallelisms and unique elements in the idea of the Holy Land in the United States Canada Iberoamerica Great Britain France and Germany The pervasive Holy Land influence in these countries and the unique elements inherent in each culture are perceived through four constructs diplomatic policy Christian devotion Jewish attachments and cultural ties The editors and contributors provide a detailed examination of the political and economic interests of the Western societies in the Holy Land the role of Zion in Christian denominations the Land of Israel in Jewish tradition and communal life and the effect of the Holy Land on Western literature art and pilgrimage Part I analyzes North America's early involvement with Palestine focusing particularly on the writings of early Christian travellers from the U S and the role these visitors played in forming America's concept of the Holy Land A separate chapter compares and contrasts the U S and Canadian experience Parts II and III examine the Iberoamerican and European experience The long wide ranging and significant relationships between the Holy Land and France Germany and the Latin American Republics are fully explored Focusing primarily on the nineteenth century Part IV documents the sturdy Biblical Holy Land British bond The chapters in this volume are replete with references to the writings of archaeologists historians scientists biblical scholars novelists consuls missionaries tourists and above all settlers and builders of the Land all attesting to the intrinsic place of the Holy Land in the world imagination *Victoire Oblige* Sandra
