A History of Dreams
Arthur James John Ratcliff, 1923

The Dreams of Demons Tarrant Smith, 2020-05-18 Murmur was a demon an immortal His race had been created by the gods to fight their wars carry their messages and die if need be He protected He served Not once in all his centuries of service to Lugh had he yearned for more than what the Golden God provided Until now that is Murmur now dreamed of a woman with rich honey blonde hair and pale skin whose mind could touch his own But Demons don't dream Was he going mad Could such a woman truly exist Gabriela could not remember a time when life had been easy Darren her roommate insisted she needed a keeper most days And perhaps he was right She didn't try to read minds not often It's just that sometimes her feeble barriers couldn't keep the noise at bay So when she began to escape her dreary life by daydreaming of the perfect man Gabriela hadn't thought too much about it The warrior who met her in those dreamscapes was strong and confident all the things she was not Gabriela never once thought a man that beautiful could be real or that he might be a demon
