

Dreams Die At Twilight

A brilliant but poor, ugly, partially crippled student doctor seemed like fair game for a determined, calculating student nurse. She faced certain ruin and saw her only chance of escape in the young, gullible doctor. However, she only opened a door to betrayal, lust, deceit, and murder.

This is a compelling story of how Leemy Bello battles his inner demons and a woman who, for her own ends, is determined not to leave him alone.

Above all, it is the story of a fascinating society in a constant state of flux and where anything is possible. Anything.
