**Synesius of Cyrene**

## **Dreams Unseen:**

Synesius concerning Dreams Synesius of Cyrene,2018-01-03 It is an old tradition I think and quite in the manner of Plato to conceal the profound thoughts of philosophy behind the mask of some lighter treatment that thereby whatsoever has been acquired with difficulty shall not be again lost to men nor shall such matters be contaminated by lying exposed to the approach of the profane The end accordingly has been most zealously pursued in the present work and whether it attains this end and whether in other respects it is wrought with distinction after the manner of the ancients let those decide who shall approach it in a spirit of loving labour Augustine Fitzgerald     **Echoes from Dream-land** Frederic Allison Tupper,1890

*Dreams That Can Save Your Life* Larry Burk,Kathleen O'Keefe-Kanavos,2018-04-17 An exploration of dreams as a spiritual source of healing and inner guidance for your health and well being 2018 Nautilus Silver Award Shares stories confirmed by pathology reports from subjects in medical research projects whose dreams diagnosed illness and helped heal their lives Explores medical studies and ongoing research on the diagnostic power of precognitive dreams including Dr Burk s own medical research Includes an introduction to dream journaling and interpretation techniques Your dreams can provide inner guidance filled with life saving information Since ancient Egypt and Greece people have relied on the art of dreaming to diagnose illness and get answers to personal life challenges Now dreams are making a grand reappearance in the medical arena as recent scientific research and medical pathology reports validate the diagnostic abilities of precognitive dreams Are we stepping back into the future as modern medical tests show dreams can be early warning signs of cancer and other diseases Showcasing the important role of dreams and their power to detect and heal illness Dr Larry Burk and Kathleen O Keefe Kanavos share amazing research and true stories of physical and emotional healings triggered by dreams The authors explore medical studies and ongoing research on the diagnostic power of precognitive dreams including Dr Burk s own research on dreams that come true and can be medically validated They share detailed stories all confirmed by pathology reports from subjects in medical research projects whose dreams diagnosed illness and helped heal their lives including Kathleen s own story as a three time breast cancer survivor whose dreams diagnosed her cancer even when it was missed by her doctors Alongside these stories of survival and faith the authors also include an introduction to dream journaling and interpretation allowing the reader to develop trust in their dreams as a spiritual source of healing and inner guidance     I Have a Dream Tyrese Shakur,2019-02-22 I Have a Dream is a book created from my past mixed in with my future It is a book of words that is made to wise up the mind of its readers I share my words of hope in my storytelling which started from poetry This book is about perspective belief blessing and understanding what matters the most It is a small book for the people who like to read but do not like to read too much In this book I share my journey from belief and pride I experienced a lot from being wise and this is why my faith will always be in God It is in my prayer that these words scribed on each page inspire people to keep pushing forward to find a purpose in their own lives     **Some Were Burnt** T. Dove

Lourde, 2015-03-18 *Some Were Burnt* is a collection of prose writings and essay type shorts by poet T Dove Lourde. Based on and in America, Lourde attempts to reveal and dissect what he calls the dystopics of the American dreamscape and converse about them openly. Written in a self-described abstract lyrical prose, the author believes the book reads like a novel with each topic being its own chapter that builds on and bleeds into the next, connecting topics that range from politics and religion to celebrity obsession, censorship, Big business, immortality, and many others. Although sometimes dark and stark and frank in its view and outlook, the book culminates in a clash. The author believes that like America, his book is about the hope and light found in between the cynicism, skepticism, and pessimism that pervades him and his generations' mindset, but to ignore the dark and the folly is to invite ruin. *Some Were Burnt* is a look into modern day America.
