Witte, Ira Alterman, 1994 *Driving for Dummies* Daniel Lee Dalke, 2015-11-18 A light hearted look at our common driving mistakes Written in rhyme for reading enjoyment it introduces four characters i.e Chatty Patty Nervous Nell Ploddin Paul and Zippin Zack to help illustrate some common sense tips to improve traffic flow through simple awareness consistency and courteousness For more information see [www.danielspoems.com](http://www.danielspoems.com) [Don't Be Stupid, Idiot - Helping Idiots Be Less Idiotic](#) Yann Somou, 2023-01-29 Do you think the world is going to shit And that manners are being thrown out the window And that common sense and common courtesy are becoming uncommon And that you are now dealing with idiots that bit too often You are not alone We are all collectively treating each other worse than ever before We talk to each other like dickheads We drive like wankers We leave piss on the toilet seat We shake hands as if they've turned into floppy fish We treat money as the be all and end all Yann thinks this is down to us slowly losing touch with our own humanity In other words we care more about ourselves than the person next to us Sure capitalism and technology are partly to blame But at the end of the day if we don't start treating each other a little better we're all truly fucked There's no way in hell we'll be able to work together long enough to resolve the catastrophic problems coming our way To that end don't be stupid idiot is chock full of 120 hilarious swears sarcastic hard hitting rants about everyday things that everyday idiots do with quasi serious tongue in cheek exercises to help idiots be less idiotic Each rant also has a QR code or link to share with that idiot or a friend who needs to read it Rants include Queue cutting Cancel culture Buying rounds Splitting the bill Holding the door open Ignoring reserved seating Treating pets as humans Tailgating Reclining plane seats Taking the mick Conspiracy theorists many more No one is innocent of being an idiot including you It is impossible to read this book and not realise at least one or two ways in which you've started to not give a shit about your fellow human Yann hopes that instead of being a little bitch about it you'll use all the reality checks you'll receive to become a better person who is more aware of how their actions affect others Entertainment Guaranteed Fucks Given Zero Legitimate Reviews Brilliant But it can't go on our best seller's list because most of our readers are idiots Some shit newspaper Bought for my idiot friend
