Michigan Kids Count ... Data Book Kids Count in Michigan (Project),1992 *The Dropout* Joseph Mathews,2008-09

Follow the high school drop out Joseph Mathews as he takes you on a journey through his troubled life and shares with readers the events that lead to him dropping out of high school Joseph s debut project *The Dropout* gives a very vivid and detailed account of what makes a kid want to drop out of school He shares with readers his early life as an honor roll student and explains how that all changed Joseph also shares many lessons with young readers about the destructive lifestyle he was living the friends he lost along the way and the eventual trouble that led to him going to jail when he was 17 years old But just when it seemed like Joseph s life was over his story demonstrates that even when you ve made mistakes and bad decisions never give up because there is a dream inside of you and that Sometimes in life all you will have is a dream so hold on to yours *The Dropout* a must read for students educators and parents *When Fathers Drop Out* William Henry Matthews,1924 **Children's Rights from International Educational Perspectives** Jenna Gillett-Swan,Nina Thelander,2021-12-01 This book critically examines contemporary educational practices with a children s rights lens Through investigating the factors that contribute to or hinder the realisation of children s rights in and through education in different contexts it discusses how using a rights framework for education furthers the agenda for achieving international educational aims and goals Using diverse international examples the book provides a snapshot of the complexity of children s rights and education It draws on the expertise of international research teams from Australia England Finland Italy Mexico Poland Portugal Scotland Spain Sweden Switzerland and the United States and highlights wide ranging interpretations of the same mandate across different national contexts Beginning with a critical overview of the broader context of children s rights in education the book explores obligations for States and their representatives tensions and convergences in implementation and implications for teaching and learning Using underutilised educational and theoretical concepts it contributes to broadening understandings of children s rights education and associated theoretical frameworks Despite a human rights framework emphasising the indivisibility interrelatedness and interconnectedness of all rights the right to education Article 28 dominates discussions about children s rights and education As such equally important rights including the aims of education Article 29 are often less considered or absent from the conversation Recognising that children s education rights involve more than just access and provision this book advocates for a much broader understanding of the nuances underpinning children s education related rights Chapter 10 is available open access under a Creative Commons Attribution 4 0 International License via link springer.com *The South African Exhibition, Port Elizabeth, 1885* ,1886 **Resources in Education** ,1999 **Boot and Shoe Recorder** ,1913 **Selected Articles on Child Labor** Julia Emily Johnsen,1925
