Drovers Boy:

The Charlatan's Boy Jonathan Rogers,2010-10-05 I only know one man who might be able to tell me where I come from and that man is a liar and a fraud As far back as he can remember the orphan Grady has tramped from village to village in the company of a huckster named Floyd With his adolescent accomplice Floyd perpetrates a variety of hoaxes and flimflams on the good citizens of the Corenwald frontier such as the Ugliest Boy in the World act It s a hard way to make a living made harder by the memory of fatter times when audiences thronged to see young Grady perform as The Wild Man of the Feechiefen Swamp But what can they do Nobody believes in feechiees anymore When Floyd stages an elaborate plot to revive Corenwalders belief in the mythical swamp dwellers known as the feechiefolk he overshoots the mark Floyd s Great Feechie Scare becomes widespread panic Eager audiences become angry mobs and in the ensuing chaos the Charlatan s Boy discovers the truth that has evaded him all his life and will change his path forever

Penelope Bungles to Broome Tim Bowden,2002 A follow up to Tim Bowden s Penelope Goes West this time covering the intriguing adventures of Tim Ros Penelope the car and The Manor the caravan as they travel across the grandeur and spectacle of Broome the Kimberleys and various points south and west Bowden s fascination with rarely seen Aboriginal rock art is a major theme in his continuing love affair with Australia On their journey Tim and wife Ros explore the Kimberley by land and sea where dramatic 12 metre tides guard coastal locations unchanged by time still as 17th century buccaneer William Dampier first described them For three months Tim and Ros and their trusty four wheel drive Penelope travelled from the improbably sculptured Bungle Bungles to the Pilbara and the wildflower filled Mid West

Dr. Johnson's London Liza Picard,2014-01-28 An enthralling review of an exhilarating era Dr Johnson s London brilliantly records the strangeness and individuality of the past and continually reminds us of parallels with the present day The practical realities of everyday life are rarely described in history books To remedy this and to satisfy her own curiosity about the lives of our ancestors Liza Picard immersed herself in contemporary sources diaries and journals almanacs and newspapers government papers and reports advice books and memoirs to examine the substance of life in mid 18th century London The fascinating result of her research Dr Johnson s London introduces the reader to every facet of that period from houses and gardens to transport and traffic from occupations and work to pleasure and amusements from health and medicine to sex food and fashion Stops along the way focus on education etiquette public executions as popular entertainment and a melange of other historical curiosities This book spans the period from 1740 to 1770 very much the city of Dr Samuel Johnson who published his great Dictionary in 1755 It starts when the gin craze was gaining ground and ends just before America ceased being a colony
