**Family Solutions for Substance Abuse** Eric E. Mccollum, Terry S Trepper, 2014-02-25 Use goal oriented techniques for successful family therapy with substance abusers Family therapy is an essential core competency for substance abuse counselors according to the Substance Abuse and Mental Health Services Administration Family Solutions for Substance Abuse Clinical and Counseling Approaches delivers the information and techniques you need to effectively treat addicts and their families By understanding and changing the dynamics of the family system you will be better able to guide your clients to adopt strategies and behaviors that sustain recovery and maintain healthy relationships Family Solutions for Substance Abuse provides clear models of diagnosis and intervention for families whether that means couples teenagers and their parents or Mom Dad and the kids The theoretical background on family

systems will help you understand the context of the client's addiction and the way it affects and is affected by other family members. Numerous case studies and figures bring the expert advice and theory into the practical realm so you can choose the best strategies for helping the shattered family heal. Family Solutions for Substance Abuse will teach you useful therapeutic skills and strategies including understanding interdependence, joining with different family members, negotiating goals and contracts, dealing with family violence, assessing motivation, handling relapses, ending treatment. Treating addictions is notoriously difficult for even the most skilled therapist working with the most motivated client. Using the techniques in Family Solutions for Substance Abuse offers you and your clients a better chance at success because addicts whose families share their treatment are much more likely to stay in counseling and remain clean and sober.

### **Theory and Practice of Addiction Counseling** Pamela S.

Lassiter, John R. Culbreth, 2017-02-17 Theory and Practice of Addiction Counseling by Pamela S. Lassiter and John R. Culbreth brings together contemporary theories of addiction and helps readers connect those theories to practice using a common multicultural case study. Theories covered include motivational interviewing, moral theory, developmental theory, cognitive behavioral theories, attachment theory, and sociological theory. Each chapter focuses on a single theory, describing its basic tenets, philosophical underpinnings, key concepts, and strengths and weaknesses. Each chapter also shows how practitioners using the theory would respond to a common case study, giving readers the opportunity to compare how the different theoretical approaches are applied to client situations. A final chapter discusses approaches to relapse prevention.
