Dryden Selected Poetry:

Dryden John Dryden, 2007 Dryden incorporates substantial explanatory annotations to the poems comprising explanations of contemporary references and literary allusions It provides a carefully modernised text of the poems *Selected Poems* John Dryden, 2001-08-30 A new and comprehensive selection of Dryden s poetry revealing him as a master of theatricality ventriloquism and unmistakable originality Brought together here are many of the poems from his time as Poet Laureate and loyal servant of the crown including the Biblical allegory Absalom and Achitophel in which the poet attacked those who intrigued against the King and earned himself a reputation for menace and a number of powerful enemies His Works of Virgil set the standard for the translation of Latin poetry His last work Fables Ancient and Modern combined original verse and new translations showing how he transformed the idioms and gestures of other voices and made them his own

Dryden: Selected Poems Paul Hammond, David Hopkins, 2020-08-17 Dryden Selected Poems is drawn from Paul Hammond and David Hopkins s remarkable five volume *The Poems of John Dryden* and includes a generous selection of his most important work The great satires *MacFlecknoe* and *Absalom and Achitophel* are included in full as are his religious poems *Religio Laici* and *The Hind and the Panther* along with a number of Dryden s translations from Horace Ovid Homer and Chaucer Each poem is accompanied by a headnote which gives details of composition publication and reception The first rate annotations provide information on matters of interpretation and give details of allusions that might prove baffling to contemporary readers Some 300 years after his death *Dryden Selected Poems* will enable new generations of readers to discover the poet of whom Eliot wrote we cannot fully enjoy or rightly estimate a hundred years of English poetry unless we fully enjoy Dryden [Selected Poetry and Prose of John Dryden](#) John Dryden, 1969 [Selected Poems](#) John Dryden,

Bloomsbury Poetry Classics are selections from the work of some of our greatest poets The series is aimed at the general reader rather than the specialist and carries no critical or explanatory apparatus This can be found elsewhere In the series the poems introduce themselves on an uncluttered page and in a format that is both attractive and convenient The selections have been made by the distinguished poet critic and biographer Ian Hamilton John Dryden was born in 1631 and was best known in his lifetime as a playwright His poems were often adjuncts of his critical theories or instruments of war in his numerous literary vendettas A merciless satirist he nonetheless trod cautiously in his political allegiances He wrote in fluent praise of both Cromwell and King Charles II In the 1680s with James II accession he became a Roman Catholic In his later years he gave up writing for the theatre and largely devoted himself to translating from the classics He died in 1700
