Dryden Poetry And Prose

John Dryden

Dryden Poetry And Prose:

The Major Works John Dryden, 2003 John Dryden 1631-1700 was the leading writer of his day and a major cultural spokesman following the restoration of Charles II in 1660. His work includes political poems, satire, religious apologies, translations, critical essays, and plays. This authoritative edition brings together a unique combination of Dryden's poetry and prose: all the major poems in full, literary criticism and translations to give the essence of his work and thinking. The collection includes the poems *MacFlecknoe* and *Absalom and Achitophel*, as well as Dryden's classical translations: his versions of Homer, Horace, and Ovid are reproduced in full. There are also substantial selections from Dryden's Virgil, Juvenal, and other classical writers. Fables Ancient and Modern taken from Chaucer, Ovid, Boccaccio, and Homer; his last and possibly greatest work also appears in full.

Poems and Prose John Dryden, Douglas Grant, 1985 Gathers songs, odes, satires, and selected essays by the seventeenth-century British poet.

Selected Poetry and Prose of John Dryden John Dryden, 1969

The Critical and Miscellaneous Prose Works of John Dryden John Dryden, 1800

Dryden: Poetry & Prose John Dryden, William Congreve, Samuel Johnson, Walter Scott, 1925

The Works of John Dryden, Volume XVII John Dryden, 1972-01-01 This collection of prose writing from the pen of Dryden dates from 1668 to 1691 and contains work that the editors describe as a sampler of Dryden as biographer, historian, political commentator, religious controversialist, literary polemicist, literary theorist, and practical critic. Among the works contained here is his *Essay of Dramatic Poesie*.

Selected Prose of John Dryden John Dryden, 2026-04-30 Matthew Arnold praised Dryden's poetry for inaugurating an age of prose; what he might better have appreciated is Dryden's creation of modern prose itself. This is the only stand-alone edition of Dryden's prose available; it introduces and annotates texts that honour the orthography and accidentals of first and early editions, distilling earlier commentary and presenting fresh interpretations of his work. The clarity, nuance, and ease of Dryden's voice in prose distinguish his writing from the first pages of *The Essay of Dramatic Poesie* to the beautiful cadences of the Preface to *Fables* at the end of his career. Dryden's poetry and drama are widely available and appreciated, yet his prose has been difficult of access. That writing its many pleasures and its importance in creating the prose of the modern world are here restored to view for contemporary readers.

The Critical and Miscellaneous Prose Works of John Dryden John Dryden, 2019-08-05 This is a reproduction of the original artefact. Generally, these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy.
