Inside, you'll discover proven online business models like dropshipping, print on demand, and affiliate marketing. The best platforms for earning royalties, ad revenue, and online course income. Low-risk investment ideas and automation tools to help you grow your money while you sleep. Perfect for beginners and ambitious entrepreneurs alike, this guide makes passive income simple, accessible, and achievable. *Passive Income Ideas* Michael Cruz, 2020-04-03. The concept of making money when you sleep has drawn a crowd to the pursuit of passive income. Theoretically, you put in some time and money in the start, then relax and let the money pour in when you focus on other things. This appears like a dream become a reality, but it's mostly only a dream. In today's workforce, relying on one income source is risky. Job protection is rarely guaranteed, and a little extra cash is useful always. By using your primary income source to cover basic expenses, you may use extra income streams to pay off debts, reduce your economic burden, or avoid going further into debt when you are able to pay for larger purchases up front rather than with a credit card or loan. Conversely, passive income is cash that continues to pay out following the initial work is done. Traditionally, income that were considered passive generally included money earned from investments in shares or profit acquired by a person who had invested in accommodations, property, but wasn't involved in the management or day-to-day functions of that property. This book covers: Passive Income, Dropshipping, Affiliate Marketing, Blogging, Dividend Stocks, Merch By Amazon, Programs Amazon, Fba, Ebook, Online Courses, Freelancing As A Virtual Assistant, AND MORE. These are great ways to make passive income still.
