## A Practical Guide

The background of the cover is a light green color with a faint grid of vertical and horizontal lines. Overlaid on this grid are several white signal waveforms. On the left, a vertical line descends from the top, then curves to the right and then back to the left, ending in a sharp peak. In the center, there are two vertical lines, each with a complex, multi-peaked waveform. On the right, a vertical line descends from the top, then curves to the right and then back to the left, ending in a sharp peak. The overall aesthetic is technical and scientific.
