The Cherry Migration Bruce Balan, Dan Lane, 1988 A bottle of cherries confronts problems of terrain leadership and the search for direction in their journey to escape their fate as the topping for ice cream sundaes **Cherry Migration** Bruce Balan, Scholastic Library Publishing, 1988-09-01 National Defense Migration United States. Congress. House. Select Committee Investigating National Defense Migration, 1941 Trafficking Women in Korea Sallie Yea, 2015-03-24 Based on in depth ethnographic work this book presents a study of Filipinas trafficked to South Korea focusing on women who entered South Korea as migrant entertainers and subsequently became deployed in exploitative work environments around US military bases there It contributes to the extension of our knowledge about human trafficking in the Asian region through an exploration of the experiences of more than 100 women who took part in the study The book challenges many of the accepted understandings about trafficking victims and unravels the implications of these narrow understandings for the women themselves It explores the ways women negotiate trafficking largely outside of the emerging formal anti trafficking framework and explains how new community formations and social networks emerge crafted by the women themselves to manage and overcome their vulnerabilities in migration **National Defense Migration** United States.
