Appreciating People:

Appreciating People Miriam Adahan,1988 Different needs drives and abilities determine our natures This book helps readers to pinpoint their own strengths and weaknesses **Don't Wait, Make Things Happen** Dr Suresh Chari,2022-11-19 Personal growth which includes soft skills attitudinal skills and relationship skills has always taken a back seat in our education system These are the skills required later in life post education at the workplace at home and in social circles An attempt has been made in this book to elaborate on the twelve attributes that are essential for personal growth and phenomenal success These attributes always existed and this book revisits them to refresh and rejuvenate us Have you felt that your mind is full of negative thoughts Have you struggled to move out of your comfort zones Have you ever tried to critically analyse yourself Have you faced challenges while pursuing your goals Have you seen that people do not give you responsibilities Have you felt that people in general avoid you Have you felt that others are more creative than you Have you found it difficult to mix with people Have you felt butterflies in your stomach when you got up to speak Have you ever said YES when you wanted to say No Have you found it difficult to appreciate people Have you felt that there is no one to give you true feedback If YES then don t wait make things happen grab this book NOW **Letter to Daughters** Nagarajan Pradeep,2025-10-18 This book is a culmination of feelings of parenthood as they support their children who gradually decide on their career goals and move towards them The backdrop of this Feature article is a father sending his children abroad for higher studies as per their wish to Europe and America in areas of Medicine Food Technology and Space Engineering He motivates them through articles with concepts on Childhood and Adult life Habits Altitude Career and the need to pursue dreams He delves into his experience and uses Anecdotes and stories to explain his concepts This book is a culmination of the advice given by the father to his daughters and is set during the period 2015 to 2020 I hope it will be useful for both Parents and children who are in the formative years of their career **Leadership in Christian Perspective** Justin A. Irving,Mark L. Strauss,2019-06-18 This book brings the best of leadership theory and research together with biblical reflection and examples of leadership in action to offer a practical guide to Christian leaders Combining expertise in leadership studies and biblical studies Justin Irving and Mark Strauss explore how leadership models have moved from autocratic and paternalistic leader centered models toward an increased focus on followers The authors show how contemporary theories such as transformational leadership authentic leadership and servant leadership take an important step toward prioritizing and empowering followers who work with leaders to accomplish organizational goals Irving and Strauss organize their book around nine empowering practices making it accessible to students church leaders and business leaders Integrating solid research in leadership studies with biblical and theological reflection on the leadership ideas that are most compatible with Christian faith this book is an important resource for all Christian students of leadership *The Philosophy of Creativity* Elliot Samuel Paul,Scott Barry Kaufman,2014-04-11 Creativity pervades human life It is the mark of individuality the vehicle

of self expression and the engine of progress in every human endeavor It also raises a wealth of neglected and yet evocative philosophical questions What is the role of consciousness in the creative process How does the audience for a work for art influence its creation How can creativity emerge through childhood pretending Do great works of literature give us insight into human nature Can a computer program really be creative How do we define creativity in the first place Is it a virtue What is the difference between creativity in science and art Can creativity be taught The new essays that comprise The Philosophy of Creativity take up these and other key questions and in doing so illustrate the value of interdisciplinary exchange Written by leading philosophers and psychologists involved in studying creativity the essays integrate philosophical insights with empirical research
