The Roots of Urban Renaissance Brian D. Goldstein,2023-03-14 An acclaimed history of Harlem s journey from urban crisis to urban renaissance With its gleaming shopping centers and refurbished row houses today s Harlem bears little resemblance to the neighborhood of the midcentury urban crisis Brian Goldstein traces Harlem s Second Renaissance to a surprising source the radical social movements of the 1960s that resisted city officials and fought to give Harlemites control of their own destiny Young Harlem activists inspired by the civil rights movement envisioned a Harlem built by and for its low income predominantly African American population In the succeeding decades however the community based organizations they founded came to pursue a very different goal a neighborhood with national retailers and increasingly affluent residents The Roots of Urban Renaissance demonstrates that gentrification was not imposed on an unwitting community by unscrupulous developers or opportunistic outsiders Rather it grew from the neighborhood s grassroots producing a legacy that benefited some longtime residents and threatened others

The Arch of Desire Vicente Muñoz Puelles,2003 A delectable novel of a man s lifelong devotion to erotic exploration The Arch of Desire is based very loosely on the life of the artist Pierre Molinier admired by the surrealists and creator of a many layered erotic universe As the novel opens Pierre is a boy raised by a wealthy family of Belgian winemakers Precociously curious about the opposite sex particularly the intimate garments he finds drying in the laundry room he is initiated into the erotic by a family servant and soon moves on to the more forbidden charms of his lovely sophisticated half sister As he comes of age attending art school becoming an acclaimed painter and settling in Bordeaux Pierre simultaneously pursues ever more complex pleasures devouring his father s collection of de Sade Restif de la Bretonne and other erotic classics sampling the varieties of women from a Senegalese prostitute to a lesbian who works as

a dominatrix to rich men to a beautiful German who becomes his last most perfect lover and exploring the limits of his fetishes for dressing up and the adoration of beautiful feminine feet A delightful recollection of sexual pleasure from the dawn to the twilight of life The Arch of Desire will satisfy every erotic appetite A delicious bold and genuinely immoral book or perhaps a treatise in favor of hedonism and the pleasures of desire A Castro El Periodico A fascinating novel exquisitely conceived and structured De Sade would applaud Antonio Bordon La Provincia Munoz Puelles uses an erotic vocabulary that stretches the rules of the genre Maria Jose El Pais
