

Albert Schweitzer

Norman Cousins

Albert Schweitzer:

Albert Schweitzer James Brabazon, 2000 The second edition of this biography of humanitarian Albert Schweitzer has been updated to include documents discovered since the work was originally written including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage This correspondence tells of a complicated love story and throws a completely new light on Schweitzer s personality and the genesis of his decision to go to Africa The author s ongoing research has also included more recently released documents from the State Department regarding Schweitzer s battle with the United States Atomic Energy Commission to halt H bomb tests *A Treasury of Albert Schweitzer* Albert Schweitzer, 2014-12-02 Collected here in a single volume are the most important philosophical writings of Albert Schweitzer one of the greatest thinkers and humanitarians of our time Carefully chosen from among his many written works the selections in this anthology illuminate and amplify Dr Schweitzer s cardinal principle of belief a reverence for life Among the important and revealing works included are Pilgrimage to Humanity which outlines his philosophy of culture the early influences in his life and his ideal of world peace The Light Within Us one of the twentieth century s most significant and beautiful statements of one man s faith in his fellow man and Reverence for Life which states with great clarity and conviction the essence of Schweitzer s wisdom Because of his legendary fame as a medical missionary other equally important and outstanding aspects of Schweitzer s life are not as well known Readers of this book will realize that Albert Schweitzer was a truly creative thinker whose concern with the problems of the human spirit and whose methods of expressing this concern have raised him to the stature of one of the world s foremost philosophers *Albert Schweitzer* Nils Ole Oermann, 2017 This new biography provides a rich and varied insight into the life work and thought of Albert Schweitzer an individual of mythical stature who was active as a theologian musician philosopher physician and missionary Schweitzer s life was not however a straight path from his provincial birthplace in Alsace to his university studies in Strasbourg then leading directly to his missionary work at a jungle hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are detours and setbacks and Schweitzer s life was no exception The actual course of Schweitzer s life however is barely discernible in his autobiography *Out of My Life and Thought* This idealized life story has been told and retold by biographers and journalists with relatively little critical scrutiny Drawing on published and unpublished material including newly released personal papers shedding light on Schweitzer s dealings with the East German authorities and his role in the anti nuclear movement as well as a number of interviews most notably with his daughter Rhena Oermann succeeds in creating not only a more realistic but also a more humane portrait of Albert Schweitzer *Albert Schweitzer, Philosopher, Theologian, Musician, Doctor* William Montgomery, 1928 *Out of My Life and Thought* Albert Schweitzer, 1990 Shatters the old myth and allows us to glimpse the real Albert Schweitzer a man whose moral example is as relevant and compelling in the 1990s as it was in the 1930s on first publication Eloquent and heartfelt Los Angeles Times

Albert Schweitzer as I Knew Him Edouard Nies-Berger,2003 In this book Nies Berger a fellow Alsatian who had known Schweitzer since childhood chronicles their collaboration during the final decade and a half of Schweitzer s life and presents his candid observations of this extraordinary man and the people around him *Albert Schweitzer, an Adventurer for Humanity* Harold E. Robles,1994 Recounts the life of the renowned doctor humanitarian and advocate for peace Albert Schweitzer Oskar Kraus,1955 *Albert Schweitzer's Legacy for Education* A. Rud,2011-01-03 This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice Rud argues that Schweitzer s life and work offer inspiration and timely insights for both educational thought and practice in our new century

Reverence for Life Albert Schweitzer,2014-12-02 This little gem of a book shares the Nobel laureate s profound insights on ethics ecology human rights and more Jane Goodall The theologian and humanitarian Albert Schweitzer dedicated his life to the betterment of mankind In 1952 he was awarded the Nobel Prize for his philosophy of Reverence for Life and for the many ways he put that philosophy into action This volume gathers together his thoughts on this profound and deeply influential concept Based on a fundamental respect and compassion for all living things Schweitzer s philosophy sought to reconcile the conflicting drives of egoism and altruism He applied this ethical perspective to a host of topics from war and peace to arts animal rights and forming a global community Reverence for Life draws on Schweitzer s diverse writings across decades including excerpts from previously unpublished letters to John F Kennedy Norman Cousins Bertrand Russell and others A foreword by former US Ambassador Roger Gamble an introduction by the editor Harold E Robles and a brief biographical sketch of Schweitzer s life round out this essential volume *Reverence for Life Revisited* David A. Valone,2009-10-02 This book is the product of a conference held by the Albert Schweitzer Institute at Quinnipiac University in 2005 The conference re examined the life and work of Albert Schweitzer particularly his idea of Reverence for Life and assessed the relevance of his ideas for the twenty first century The essays in this book represent various perspectives on Schweitzer s life and works including reminiscences from individuals who worked with or were directly influenced by Schweitzer s life including Jane Goodall who was the keynote speaker at the conference philosophical examinations of Schweitzer s ideas in light of present concerns and practical applications of Schweitzer s ideas to current problems in global issues including arms control medical ethics education and state building The essays represent perspectives drawn from individuals of diverse backgrounds from undergraduate students to professional academics as well as those engaged in diplomacy wildlife conservation and health care and from the United States Europe Latin America and Africa **Answering the Call** Ken Gire,2013 Enduring hardship conflict and personal struggles he and his beloved wife Helene became German prisoners of war during WWI and Helene later battled persistent illnesses **Albert Schweitzer** Patricia Morris,2017-10-18 Dr Albert Schweitzer 1875 1965 was already famous as a musician philosopher and theologian when he qualified as a medical doctor and forsook Europe s comforts to live ethically with what he called Reverence for Life In pursuit of this aim in

a jungle in equatorial Africa he built a hospital and a leper village for isolated hunter gatherers His achievements were recognised with international awards honorary degrees and the Nobel Peace Prize in 1952 In his last years Schweitzer was a vehement protester against the development of nuclear arms and against foreign interference in the Congo Suddenly he became an easy target for criticism Schweitzer s biography reminds us of the sacrifice required to live a moral life including that our well intended actions are as likely to arouse excoriation as admiration In Part One of *Albert Schweitzer the Difficulty of Doing Good* the author takes a fresh look at Schweitzer s life story acknowledging the often grinding toil and emotional demands that interrupt even preclude success Her account illuminates Part Two the brief diary kept by her father Cecil Morris an orthopaedic surgeon on his working visit to Schweitzer The characters are very human and portrayed sometimes in what seems like a hard light so you may feel disappointed if you are hoping for a hagiography or even just a feel good story But the story is about how hard it is to do good and not just to be good A man with a profound and ultimately prophetic view of the world could not in the end maintain an apolitical stance From his overwhelming reverence for life Schweitzer felt compelled to condemn nuclear weapons and to engage with this and some other issues on a world stage This book is not just an encouragement but also an elemental and tangible part of the story towards nuclear weapons abolition Martin Birdseye Christian CND _____ Patricia Morris is a psychoanalytic psychotherapist She is the author of *Freud Politics and Civilisation* and *Love Sex 50 therapy lessons about problems in relationships that bring people into therapy*

_____ *The Value of Dedication* Spencer Johnson,1979 Presents a biography of Albert Schweitzer who based his philosophy on what he called reverence for life and dedicated his life to serving humanity **The Story of Albert Schweitzer** Anita Daniel,1957 The great doctor and humanitarian comes to life in this biography *Reverence For Life* Marvin Meyer,Kurt Bergel,2002-10-01 Albert Schweitzer s system of ethics as a way of life in which individuals live with compassion and respect for all living things humans animals and plants or Reverence for Life is illuminated here through a series of compelling essays by Schweitzer and renowned contemporary Schweitzer scholars from around the globe The selection of Schweitzer s writings includes sermons letters and autobiographical and philosophical works chosen by the editors to outline the development of his thought throughout his lifetime **Albert Schweitzer** George Seaver,2016-11-11 The definitive biography of one of the titans of our time together with a full appreciation of his revolutionary thought and writings is now revised to include new materials on the eighth decade of Dr Schweitzer s life and work at Lambar n The book tells two exciting stories the outward events of Schweitzer s life his childhood in Alsace his career in Strasbourg his organ studies and recitals his decision to become a medical missionary in Africa and his long labors there and a review of his great intellectual and spiritual contributions his upsetting of Biblical criticism his profound insights into Christ St Paul Bach and Goethe his philosophy of civilization and reverence for life Seaver s book is without equal in opening to us simply and clearly a view of the life and mind of Schweitzer of Lambar n Africa Europe and the World Christian Century Mark this down as a

great biography of a man whom many regard as our greatest living contemporary Living Church Step by step Seaver leads the reader to look at life with Schweitzer in order to understand his attitude toward Greek eudaemonism Kant Schopenhauer Nietzsche and finally the building up of his affirmation Reverence for Life Those of us who seek to understand the meaning of Schweitzer s life and thought and realized fellowship with the living Christ s must master this tiny book so filled with spiritual reality EDWARD H HUME Dr Seaver s excellent work should appeal not only to Schweitzer s many admirers but to those anxious to find a way out of the baffling labyrinth of current world conditions Christian Century This swift yet fundamental survey of one whole trend in the intellectual life of man is a remarkable piece of work It proves that Schweitzer is one of the great thinkers of our time JOHN HAYNES HOLMES **The Words of Albert Schweitzer** Norman Cousins,1999-06-17 Quotations from Schweitzer s speeches and writings on reverence for life faith music civilization peace and other topics

Albert Schweitzer Albert Schweitzer,2005 Selected writings of Albert Schweitzer the nobel Peace Prize winner ordained pastor musician and expert on Bach and author of a seminal work on Jesus Albert Schweitzer ,1937 Two autographed photograph post cards handwritten Lincoln tribute handwritten letter envelope Germany France Albert Schweitzer born January 14 1875 died September 4 1965 was a German and then French theologian organist philosopher physician and medical missionary He was born in Kaysersberg in the province of Alsace Lorraine at that time part of the German Empire Schweitzer a Lutheran challenged both the secular view of Jesus as depicted by historical critical methodology current at his time in certain academic circles as well as the traditional Christian view He depicted Jesus as one who literally believed the end of the world was coming in his own lifetime and believed himself to be a world savior Schweitzer received the 1952 Nobel Peace Prize for his philosophy of Reverence for Life expressed in many ways but most famously in founding and sustaining the Albert Schweitzer Hospital in Lambarene now in Gabon west central Africa then French Equatorial Africa As a music scholar and organist he studied the music of German composer Johann Sebastian Bach and influenced the Organ reform movement Orgelbewegung Schweitzer s passionate quest was to discover a universal ethical philosophy anchored in a universal reality and make it directly available to all of humanity
