The Story of the Temperance Congress Auxiliary to the California Midwinter International Exposition, 1894. ... O. E. Moore,1894 Religion and Nationality in Western Ukraine J.-P. Himka,1998-01-14 Using Soviet archival materials declassified in the 1980s John Paul Himka examines a period during which the Greek Catholic church in Galicia was involved in a protracted and at times bitter struggle to maintain its distinctive historically developed rites and customs He focuses on the way differing concepts of Rutherian nationality affected the perception and course of church affairs while showing the influence of local ecclesiastical matters on the development and acceptance of these divergent concepts of nationality The implications and complications of the Galician imbroglio are engagingly explained in this latest addition to Himka s work on nationality in late nineteenth century Galicia His analysis of the relationship between the church and the national movement is a valuable addition to the study of religion and national movements in East Europe and beyond *Brewing and Liquor Interests and German and Bolshevik Propaganda* United States.
