**Alcoholism** Ann Manzardo, 2008-07-03 Aimed at those who have alcohol problems and the people who share their lives this text examines the social psychological and medical aspects It includes expanded sections on women and looks at results from studies into the genetic causes Understanding the High-Functioning Alcoholic Sarah A. Benton, 2009-02-27 Who is the typical alcoholic among the 12.5 million living in the United States now Many if not most of us when asked that question would envision a skid row bum or someone at least out of work or with little education locked into a low skill low paying job But that is not accurate according to the results of a national study released in June 2007 by the National Institutes of Alcohol Abuse and Alcoholism The NIAAA determined that alcoholics in the United States really fall into five subtypes including nearly 20 percent who are highly functional alcoholics well educated with good incomes They include corporate presidents powerful politicians police lawyers doctors scientists and other highly skilled highly educated people who are middle to high income and by most accounts successful In this unprecedented book mental health counselor Sarah Benton takes us into the worlds and minds of so called high functioning alcoholics to understand how people so intelligent and achievement oriented get drawn into states in which they secretly cannot control their liquor consumption but still manage to excel in their careers The book includes a look at celebrity alcoholics like singer Eric Clapton and actor comedian Robin Williams as well as alcoholics in high positions including Chris Albrecht former Chairman and CEO of HBO Other high profile people included in this book are Miss USA 2007 Tara Conner and football legend Joe Namath With her own story of alcoholism and her recovery woven into the text Benton takes us into the lives and challenges of these well educated and successful people seeking to understand how when and why they became addicted as well as the reasons their alcoholism is for most so hard to admit cope with and recover from *How to Stop Drinking Alcohol* Andrea Ross, Dear Friend Let's face it If You Want To Skyrocket Your Success Improve Your Overall Life You Need To Have A Look At Effective Resolutions To Quit Drinking There are many different ideas about recovery There is a plan of attack to recovery that is called the creative theory It's a bit different from traditional recovery which is commonly 12 step programs like Alcoholics Anonymous Many people have never heard of this and have no idea how to go about figuring out where they are or how to change it Also you didn't you hear about Then please continue to read as you need to discover the secrets that help you beat addictions You know why most people have a tendency to not achieve the success they desire in fighting addictions and overall life It's because they don't know that early on recovery begins a little bit before you even become clean and sober You need to start in the mental process of arriving at the decision to alter your life Then you really go through with the conclusion and take true action This sets in motion a roller coaster of an emotional ride that we may simply describe as becoming a furious up and down ride Which brings us to a very important aspect I must talk about You Can Have Better Success In Recovery And Life If You Discover Effective Resolutions To Quit Drinking People who struggle in alcohol addiction will find these things in

common They don't know the phases They have no idea how to avoid mistakes They are struggling with finding their path They also don't understand taking action They have many more problems untold Well don't worry With the strategies that I'm about to let you in on you will have no problems when it comes to learning how to beat the alcohol addiction In this book you will learn all about Phases Of Recovery Errors And Correct Choices In Early On Recovery Seek Your Path You Must Take Action Much MORE Make Full Use Of This Knowledge And Get A Real Look At Effective Resolutions To Quit Drinking Let's face it There are things that anyone can do to assist in recovery but they're likely not as direct as you'd like The issue is that the direct routes to assisting are for the most part ineffective What you have to do is to alter your own behavior so as not to enable further alcohol addiction That is why it is very important for you to realize the value of what I'm offering The price I'm charging for this book is minimal when you consider the fact that you can use just one of these strategies to make your money back 10-15 times over Remember that if you fail to take action today things will not get better So make sure you take action and get a copy of this book right away To Your Success P S Remember for this low price you can immediately make 10-15 times the sum of your investment so don't hesitate and grab a copy right away P P S Your situation might not improve tomorrow if you don't take a plunge Which is worse Telling people that you failed to discover the easy ways to raise your awareness of how to better yourself or take a couple of days/weeks to learn the truth on how to become the best you can be
