**Alaska Cavalcade** Dean F. Sherman, 1943      **Alaska Native Resilience** Holly Miowak Guise, 2024-07-30 Alaska Native elders remember wartime invasion relocation and land reclamation The US government justified its World War II occupation of Alaska as a defense against Japan's invasion of the Aleutian Islands but it equally served to advance colonial expansion in relation to the geographically and culturally diverse Indigenous communities affected Offering important Alaska Native experiences of this history Holly Miowak Guise draws on a wealth of oral histories and interviews with Indigenous elders to explore the multidimensional relationship between Alaska Natives and the US military during the Pacific War The forced relocation and internment of Unangax in 1942 proved a harbinger of Indigenous loss and suffering in World War II Alaska Violence against Native women assimilation and Jim Crow segregation and discrimination against Native servicemen followed the colonial blueprint Yet Alaska Native peoples took steps to enact their sovereignty and restore equilibrium to their lives by resisting violence and disrupting attempts at US control Their subversive actions altered the colonial structures imposed upon them by maintaining Indigenous spaces and asserting sovereignty over their homelands A multifaceted challenge to conventional histories Alaska Native Resilience shares the experiences of Indigenous peoples from across Alaska to reveal long overlooked demonstrations of Native opposition to colonialism

**Alaska's Skyboys** Katherine Johnson Ringsmuth, 2015-10-01 This fascinating account of the development of aviation in Alaska examines the daring missions of pilots who initially opened up the territory for military positioning and later for trade and tourism Early Alaskan military and bush pilots navigated some of the highest and most rugged terrain on earth taking off and landing on glaciers mudflats and active volcanoes Although they were consistently portrayed by industry leaders and lawmakers alike as cowboys and their planes compared to settlers covered wagons the reality was that aviation catapulted Alaska onto a modern global stage the federal government subsidized aviation's growth in the territory as part of the Cold War defense against the Soviet Union Through personal stories industry publications and news accounts historian Katherine Johnson Ringsmuth uncovers the ways that Alaska's aviation growth was downplayed in order to perpetuate the myth of the cowboy spirit and the desire to tame what many considered to be the last frontier
