Local Seo Tom Crandall, 2016-11-17 Ever wonder how businesses rank locally when performing a Google Search I did so I set off on a mission to uncover a consistent method to help boost a business s local ranking In my very first publication *Local SEO A Roadmap To Successful Local Ranking* I am going to walk you through some of the best Local SEO techniques to get a business not only discovered locally but ranked Whenever you perform a Google Search Google s algorithm takes over and provides result listings that best match the criteria according to Google s page and domain ranking factors For those that don t quite understand ranking factors let me explain Each page and domain has a ranking value These are typically called Page and Domain Authority The higher the authority the higher the page will rank Google and other search engines determine a pages rank or authority based on various search metrics including content keywords number of backlinks age of the website title header tags images and so on For any given localized search the results are usually broken out by Paid Advertising Shown at the top and bottom of the listings Local Business listings Business listings from Google Maps Organic Search Results Everything else In this book *Local SEO A Roadmap To Successful Local Ranking* I am focusing on the Local Business Listings and how anyone using my methods can boost their local presence on the web A little bit about me My first experience with computers was on Christmas day when I opened up a game called Pong It was one of the first TV computer games and at the time it was cutting edge Fast forward a bit and my dad bought an Atari 800 computer that I somehow convinced him was better than the Apple alternative Needless to say I used the Atari

more than he did Fast forward a bit more and I was in college studying computer science When I graduated my first real job was programming expert systems That job only lasted a short while and then I became a System Analyst working on all sorts of Government Projects In 2008 I moved to a place called Austin and really got my feet wet designing websites for clients During that time I also became interested in all things SEO but never really got to flex my muscles It wasn't until 2016 that I found myself unemployed and wondering what I should do in life After countless resumes failed to get traction in the job market for positions I was interested in a realization hit me that maybe I don't need a company to work for but rather work for myself My wife Kathleen and our pug Olaf were very supportive of the idea So I started a company called <http://HangTenSEO.com> with the goal to help clients out rank their competition Along the way I also started writing articles on SEO best practices which were in many ways teaching moments for me In writing the articles I really had to understand the subjects I was writing about and how to use the techniques to get the best results

Blogging for Beginners Kevin Lioy, 2019-11 If you want to start your own Blog and make it your full time job then keep reading Creating your Blog is the first step into building a strong and lasting online presence If you have a blog you have your own space on the Internet In short you can influence people with your thoughts your arguments and anything you share with the world That would be amazing right Well turns out it's pretty easy to run a successful blog that generates profits if you know how to handle that In order to create a profitable blog you will need to post content But be careful Random content won't work There is a precise strategy you have to follow to optimize your reachability and visibility on both search engines like Google and social media platforms like Facebook You need a proven strategy that mathematically works Just keep posting is not a strategy In this book you will discover Why do you want to start a blog How to setup your blog and be online How to choose the right domain name and hosting Craft the perfect design for your blog The content strategy that will guarantee your success How to turn a simple blog into a money making business What monetization method you can use and how How to expand your influence to other networks YouTube and podcast How to gain easy visibility on Quora How to build your own mailing list to 10X your earning power
