Social Commerce Efraim Turban, Judy Strauss, Linda Lai, 2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e-commerce and e-marketing textbooks with contributions by several industry experts. It is effectively the first true textbook on this topic and can be used in one of the following ways: Textbook for a standalone elective course at the undergraduate or graduate levels including MBA and executive MBA programs; Supplementary text in marketing management or Information Systems disciplines; Training courses in industry; Support resources for researchers and practitioners in the fields of marketing management and information management. The book examines the latest trends in e-commerce including social businesses, social networking, social collaboration, innovations, and mobility. Individual chapters cover tools and platforms for social commerce, supporting theories and concepts, marketing communications, customer engagement and metrics, social shopping, social customer service, and CRM contents, the social enterprise, innovative applications, strategy and performance management, and implementing social commerce systems. Each chapter also includes a real-world example as an opening case, application cases, and examples, exhibits, a chapter summary, review questions, and end-of-chapter exercises. The book also includes a glossary and key terms, as well as supplementary materials that include PowerPoint lecture notes, an Instructor's Manual, a test bank, and five online tutorials.

Launch Your Digital Product Aaron Hayes, 2025-08-24 Do you dream of launching your own digital product, an online course, e-book, or membership, but feel stuck by tech hurdles, conflicting advice, and fear of failure? You're not alone. Many aspiring entrepreneurs waste months overthinking, trying different tools, or giving up before their ideas reach the market. *Launch Your Digital Product* is your step-by-step roadmap to cut through the noise and finally bring your vision to life. Written by Julian Vance, who transformed his own expertise into a thriving online business, this guide reveals exactly how to move from idea to profitable product with clarity and confidence. Inside, you'll discover how to: Identify a profitable niche aligned with your skills; Validate your idea before investing time and money; Create a high-value course, e-book, or membership people actually want; Build a brand that attracts your ideal audience; Set up automated sales funnels that sell while you sleep; Market your product without overwhelm; Lay the tech and business foundations for sustainable success; Your digital business doesn't have to stay a dream. Stop procrastinating, start building, and finally launch the product that changes your future.
