Child-Care and the Psychology of Development Elly Singer, 2017-12-06 Are child care centres good for children How can we provide good day care Feminists have long argued for the provision of day care facilities so that mothers may be free to work outside the home The call had enjoyed little support from politicians and experts however Feminists had been seen to stand for women s interests and psychologists and pedagogues for children s as if the two were opposed Only in the early 1990s had the opinions of politicians and experts begun to change Yet even so a positive policy on day care was still lacking Originally published in 1992 Elly Singer s exciting book shed a fresh and critical light on its subject She exposes the preoccupations and contradictions of mainstream developmental psychology and its experts shows how their theories blind them to many important questions and reveals the almost total denial by mainstream psychology of the daily realities of parents and their children at the time Elly Singer then proposes fresh ways of thinking to meet the new and different circumstances in which children and parents find themselves in contemporary society *The Cumulative Book Index* , 1977

A world list of books in the English language **Narrating Irish Female Development, 1916-2018** Jane Elizabeth Dougherty, 2024-12-31 Narrating Irish Female Development 1916 2018 studies narratives of Irish female and feminized development arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly The first full length study of the Irish female coming of age story the book develops a feminist psychoanalytic narratology derived from the belated oedipalization of Joyce s bildungsheld to read these stories This study argues that all

Irish maturation stories are shaped by the uneven and belated maturation story of the Irish republic itself which took as its avatar the Irish woman whose citizenship in that republic was unrealized as indeed was her citizenship in an Irish republic of letters Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce s work The Publishers Weekly ,1922 Catalog of Copyright Entries.
