Passive Income On A Budget Using Free Time and Self Investment Michael South, Imagine your bank balance growing as passive incomes pour in The royalty checks the dividends rental income and compound interest With this extra money you can consider re investment options or save it up or supplement your standard living costs You also have the joy of running your own business and learning new skills that you can re sell elsewhere But if you haven t invested your time and money in passive income streams If you allow opportunity time and money to go idle then you will continue to struggle You already know how this feels and have walked this path before In the past I spent whatever I earned I have idled away my time I had no savings but my salary each month to survive But I discovered from friends that they had invested their money They received dividends and were investing in property to create a second income They used their monthly salary to multiply their income Their job was only a means to invest in their own ventures outside work It wasn t their only source of income I discovered the world of passive incomes With the age of the internet it is even easier We would all like a passive income but few of us have the money to invest into property or the stock market as the majority of self help guides suggest But there are other ways to create a passive income through the investment of your own time Passive income on a budget is all about investing your own time to get things started There is some upfront work but this can fit into your spare time or could be part of an existing hobby The book explains the importance of passive incomes How the rich all have their money working for them rather than them working for it How the rich have many income streams The book will explain the mindset of a person creating a successful passive income Then you will learn How to make money with stock photos How to get royalties with ebooks Money from selling apps or advertising in apps Monetize your Blogging Self learning to increase your salary study a skill Web courses Affiliate Marketing Take a step in a new direction Become the master of your own financial destiny and invest in a copy of this book today Keywords home based business wealth management passive income self investment entrepreneurship part time business
