Mastering French Vocabulary Alex DuPont, 2025-04-03. Learning French can feel like a challenge, especially when it comes to pronunciation. Maybe you've seen a word before but weren't sure how to say it, or you've tried speaking but felt like something was off. That's exactly why I made this book. Inside, you'll find 1001 of the most common French words, each with an easy-to-read phonetic guide to help you pronounce them confidently. No complicated grammar, no long explanations, but just the words you actually need, which are broken down in a way that makes sense. An example being: *Again, Encore*. To keep things simple, I've grouped the words into chapters by category. Want to learn some words relating to sports? I have that. Tech? Got it. Need to know everyday objects? There's a chapter for that, too. This way, you can focus on what's useful to you without getting lost.
