101 Frequently Asked Questions About Homosexuality Mike Haley, 2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family's Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself **The Complete Christian Guide to Understanding Homosexuality** Joe Dallas, 2010-07-01 One of the hot button issues of our day is fully addressed in this comprehensive new resource on homosexuality This well researched and highly readable guide is the perfect go to manual for families church workers counselors pastors civic leaders schools and those who themselves struggle with same sex attraction Readers will find the answers to these and many more important questions What is homosexuality Is the tendency for homosexuality genetic How should the church respond What's the proper response when a relative or friend announces they're gay What are the legal and civic ramifications of homosexuality Should homosexuals serve openly in the military What about gay marriage and adoption Authoritative authors Joe Dallas *Desires in Conflict* When Homosexuality Hits Home and Dr Nancy Heche *The Truth Comes Out* tackle the hard questions about same sex attraction in this helpful volume *God's Grace and the Homosexual Next Door* Alan Chambers, **Ministering to Gay Teenagers** Shawn Harrison, 2014-03-07 *Ministering to Gay Teenagers* was originally published in November 2012 This edition is revamped with approximately 80% new material incorporating wisdom the author has since learned in addition to valuable feedback received from his youth ministry peers When it comes to ministering to gays and lesbians far too many churches have chosen silence over service or a reactive stance over proactive involvement But congregations must abandon their comfort zone and minister to a group of people who need to experience the love of Jesus in powerful tangible ways With truths drawn from his own personal experiences youth pastor Shawn Harrison seeks to equip youth workers parents and churches in ministering to gay teenagers their families and the gay community at large The church must not compromise truth he says but it should not withhold grace either How gay students first encounter God personally and communally and how Christians react to them can determine subsequent steps in their faith journey *Ministering to Gay Teenagers* is filled with wisdom and practical advice on how to respond when a student comes out and how to help the teenager's family through that journey too This book will equip leaders and parents with solid answers to the questions families ask And it will challenge youth workers and churches to consider how to practically serve and minister to a group of people who seek deep authenticity in love character truth and presence **The Facts on Homosexuality** John Ankerberg, John

Weldon,2003-01-01 John Ankerberg and John Weldon s popular Facts On books more than 800 000 copies sold havenew covers and updated material Known for their extensive research and Bibleknowledge the authors offer readers the essentialfacts they need to evaluate and discuss today s issues The concise easy to follow information helps readers understand the basic tenets of each subject evaluate the teachings in light of God s Word share the gospel more effectively The user friendly question and answer format of this series gives readers the flexibility to explore the subject fully or look up specific teachings Ankerberg and Weldon discuss aspects of homosexuality including innate vs learnedbehavior biological support the homosexual community s influence theChristian church s view on homosexuality and what God s Word teaches

Criminal Justice and Moral Issues Robert Frank Meier,Gilbert Geis,2006 Criminal Justice and Moral Issues begins by addressing two questions 1 What kinds of problems can the law solve and 2 What kinds of problems does the law create Using these questions as starting points Robert F Meier and Gilbert Geis evenhandedly explore the role and function of law relating to six major issues that often divide Americans today prostitution drug use homosexuality abortion pornography and gambling Statutes and public opinion have shifted dramatically over recent decades in regard to these behaviors The book details these developments and offers explanations of why they have occurred Meier and Geis provocative book offers sophisticated in depth discussions of these issues then reviews the conflicting opinions about the proper role of criminal law in dealing with them It is written in straightforward jargon free language providing an ideal background for exploring the facts and views regarding what are often contentious concerns From publisher s description **American Book Publishing Record** ,2004 Books That Change Lives Parable Group, The,2005-07 The ultimate book of recommended reading lists hand picked by book buyers nationwide This Parable exclusive includes recommendations from popular authors and a personal growth library list featuring both classic and contemporary must reads Plus a topical resource list indexes books by subject matter geared for those ministering to others **America's Youth** Jamuna Carroll,2008 Describes the values and behaviors of teenagers the risks for teenagers and the safety measures being taken for them *Brio & Beyond* ,2006 **The Publishers Weekly** ,2004 **Career and Life Planning with Gay, Lesbian, and Bisexual Persons** Susan Gelberg,Joseph T. Chojnacki,1996 All individuals whatever their sexual orientation should become skilled at career and life planning This book which addresses a perceived lack of information for gay lesbian and bisexual individuals examines the impact of sexual orientation on career planning It combines career theory and application within a counseling framework The eight chapters present a logical progression 1 the importance of career and life planning skills 2 adapting career counseling approaches 3 assessing interests values experiences and skills 4 assessing the role of adult development in career and life planning 5 assessing the work environment 6 career decision making and goal setting 7 the job search and 8 a comprehensive model of career and life planning for gay lesbian and bisexual persons The model in the last chapter integrates literature from career development adult life span development and gay lesbian bisexual identity development

Lengthy appendices furnish sample career counseling forms and handouts for professional helpers and their clients Also included are career counseling resources and an outline of developmental transitions and mentoring of gay lesbian and bisexual allies It is hoped that the text will help professionals nurture the career and life planning needs of all gay lesbian bisexual individuals Contains over 350 references and an index RJM *Irreconcilable Differences?* Thomas C. Caramagno,2002-08-30 In recent year pro gay and anti gay rights activists have engaged in a struggle to sway public opinion in their favor through the use of ideologically charged rhetoric in an effort to win support from an undecided public The author contends however that the debate is stalemated precisely because each side stereotypes and pathologizes the other s perspective thereby becoming perfect enemies divided on every issue and with such intensity that consensus seems nearly impossible Providing a panoramic view of both perspectives this unique book traces the contested issues to fundamental conceptual differences within the field of religious scientific and political studies Caramagno carefully examines the centuries of thought behind the questions involved and encourages readers to consider the arguments in order to draw their own conclusions This book is not about the wrongs or rights of the gay rights debate Nor is it a condemnation of the sides involved in the debate Instead it shows how the two sides have engaged in the battle and how they have marshaled evidence from a variety of sources often the same ones to muster public support but without addressing the conceptual changes needed to conduct a more profitable dialog Treating both sides of the debate respectfully and objectively *Irreconcilable Differences* opens the discussion up so that all ideas and arguments can be understood as having something valuable to bring to the table In this way readers are challenged to consider the ways arguments are formed how culture disseminates ideas and how a debate can be shaped so that consensus building is a real not an imagined outcome *Education for Sexuality* John J. Burt,Linda Brower Meeks,1975 Forthcoming Books Rose Arny,2004 **The Blue Book** ,2004 *Psychoanalysis and Male Homosexuality* Kenneth Lewes,1995 This landmark book is the first and only historical cultural and theoretical account of how male homosexuality has been viewed and sometimes misconstrued by the psychoanalytic tradition from Freud through the 1980s In this groundbreaking survey Kenneth Lewes reveals how the original psychoanalytic ideals of understanding and compassion have been betrayed by clinicians and theorists Viewing Freud and his early followers in a new light Dr Lewes shows how they posited a surprisingly wide variety of normal outcomes of psychosexual development including homosexuality But in its attitudes toward homosexuality psychoanalysis soon changed from an open minded and humane discipline into an insular and calcified orthodoxy Exposing the basis of the acrimony and alienation that have characterized the relationship between homosexuals and psychoanalysis *Psychoanalysis and Male Homosexuality* is a sometimes shocking account of intolerance and hostility But it is also the story of unexpected sensitivity as it explores the possibilities as well as the limits of psychoanalysis as a humane science **Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio,2005-05 **Diversity and Multiculturalism in Libraries** Katherine Hoover Hill,1994
