## 1 Kings Knox Preaching Guides:

**King Solomon** Philip Graham Ryken, 2011-07-07 Though the world's wisest king Solomon's heart was led astray by temptations of wealth sex and power And we face the same dangers today though the temptations may be different in degree and detail Author Philip Ryken writes In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely By the grace of God we may avoid a tragic downfall of our own and learn how to use money sex and power for the glory of God Tracing Solomon's life from coronation to burial and from godly devotion to self-serving excess Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations These thirteen chapters are pastoral rich in application and biblically faithful This overview of Solomon's life also includes a study guide making it a great resource for both personal and group use

**The Books of Haggai and Malachi** Mignon R. Jacobs, 2017-11-28 In this commentary on Haggai and Malachi Mignon Jacobs offers clear and insightful interpretation of the text while highlighting themes that are especially relevant to contemporary concerns such as honoring or dishonoring God the responsibilities of leaders questioning God and hearing the prophetic word in challenging times Engaging with the latest scholarship Jacobs provides a thorough introduction to both prophets in which she addresses questions of authorship date purpose structure and theology followed by a new translation of the biblical text and a verse by verse commentary With intertextual discussions about key aspects of the text and attention to competing perspectives this commentary offers a rich new interpretation of Haggai and Malachi

*A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike

**Voice, Word, and Spirit** Brian Neil Peterson, Rickie D. Moore, 2017-02-21 Pentecostalism is a movement that in a little over a century has encircled the globe and either directly or indirectly has impacted and influenced every quarter of Christendom At its heart the movement bears witness to a contemporary experience of divine human encounter in line with the prophetic claims of the Old Testament and the Pentecost testimony of the New indeed an encounter with the power the presence the Spirit of God that is radically transformative enough at both personal and corporate levels to evoke a new way of seeing the world and with it a new way of reading the Word In the post modern situation that has forced all of us to a greater awareness of the contextual particularities of how we see and read things with all of the limitation and the illumination that this can entail it is time for offering a survey of Scripture and the Old Testament in particular that speaks both from and to the manifold global context of Pentecostal faith and practice Here the authors are deft guides affirming the integration of academic scholarship

and charismatic spirituality They present thoughtful readers with an overview of the Old Testament that is explicitly engaged with the faith and practice of the Pentecostal movement and the recent scholarship that has been generated by this contemporary global Christian movement especially as it bears upon biblical interpretation They invite readers to approach scripture reading with the expectation of being encountered and addressed by a Living Voice flipping the primary goal of biblical study from us interpreting Scripture to Scripture reading and interpreting us In addition to treating each Old Testament book individually this textbook offers a brief chapter length introduction to each of the four major book collections as standardized in the Protestant Bible s arrangement of Old Testament Scriptures 1 Pentateuch 2 Historical Books 3 Poetical Books and 4 Prophets

**Covenant Continuity and Fidelity** Jonathan Gibson,2016-09-22 The core of Malachi s covenantal imagination is shaped by his reflection on an authoritative collection of source texts in the Hebrew Bible The mention of people nations and places Deuteronomic terminology and rare words and unique word root combinations exclusive to Malachi and only a few other texts encourages the book to be read in the context of received biblical traditions and texts The diversity of methodologies used previously to analyse Malachi has resulted in confusion about the significance of the inner biblical connections in the book of Malachi which Gibson clarifies His reading frees the text of Malachi from being overburdened by too many intertexts and allows its central message of covenant to arise with greater clarity and force Gibson reveals how Malachi s connections to earlier source texts are neither random nor causal rather they have been strategically employed to inform and shape his central theme of covenant continuity and fidelity

**God in the Fray** Walter Brueggemann,Tod Linafelt,Timothy Kandler Beal, This volume engages the work of Walter Brueggemann most of which has been published by Fortress Press The volume centers on the character of God in the text of the Old Testament as a site of theological tension and even ambivalence Biblical faith never experiences God as entirely above the fray but rather as entangled in history astonishingly transformative and impinged upon by the voices of the suffering Brueggemann s monumental Theology of the Old Testament addresses this fact with great theological insight and rigor and the internationally renowned biblical scholars writing here engage and extend his insights into the unsettled Character at the center of the text

McKim,1998 Contributors from both historical and biblical studies profile the methods perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century Includes introductory essays for each period and bibliographies of each interpreter Edited by Donald K McKim

Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of

hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *Dictionary of Major Biblical Interpreters* Donald K. McKim,2007-11-12 Donald K McKim edits this revised and expanded edition of IVP s Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis *The New Interpreter's Bible: 1 & 2 Kings; 1 & 2 Chronicles; Ezra; Nehemiah, Nehemiah; Esther; Tobit; Judith* ,1994 **One Kings 1 Kings** Walter Brueggemann,1982 **Proclamation Four, Series C, Pentecost 1** M. Thomas Norwood, Jr.,1989 God's Healing Strategy Ted Grimsrud,2000 In lively and accessible style Ted Grimsrud portrays God s persevering love as the heart of the Bible s message and challenges Christians to let that love shape their lives today 2 Kings Walter Brueggemann,1982 **American Book Publishing Record** ,1995 *The Catholic Biblical Quarterly* Wendell Stephen Reilly,1984 Includes various reports of the Association **Journal of Biblical Literature** ,1986 A Reader's Guide to Contemporary Literature William Swan Sonnenschein,1895 **The guide to the Church congress and Ecclesiastical art ebition, to be held Oct. 2-6, 1893, at Birmingham** Church congress,1893
