Donald P. Senior, Daniel J. Harrington, 2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church's golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter's name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of America and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible

**Commentary on 1 & 2 Peter and Jude** Charles Spurgeon,2014-03-28 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers But in addition to his sermons he regularly reading a Bible passage before his message and gave a verse by verse exposition rich in gospel insight and wisdom for the Christian life Sample 1 Peter 1 1 5 1 Peter 1 1 Peter an Apostle of Jesus Christ It must have been very pleasant to his heart to write those words not Peter who denied his Master Not Peter full of imperfections and infirmities the impetuous and changeable one of the twelve but Peter an Apostle of Jesus Christ as truly sent of God as any of the other Apostles and with as much of the Spirit of his Master resting upon him Peter an Apostle of Jesus Christ 1 2 To the strangers scattered throughout Pontus Galatia Cappadocia Asia and Bithynia elect according to the foreknowledge of God the Father You might go for fifty years to some places of worship and never hear the word elect ever mentioned Modern ministers seem to be ashamed of the grand old doctrine of election but it was not so with the Apostles and the early Christians They were accustomed to speak of one another as the elect of God The doctrine of election was most precious to their hearts and therefore Peter writes elect according to the foreknowledge of God the Father 2 Through sanctification of the Spirit unto obedience and sprinkling of the blood of Jesus Christ grace unto you and peace be multiplied We not only need grace but we need much grace And also peace And we need a greatly increased measure of both those blessings Do not be satisfied dear brothers and sisters in Christ with the grace that you already have Be thankful for it but ask for the Divine multiplication of it regard the grace which you have already received as being like the boy s loaves and fishes and expect that Christ will continue to multiply it for you and for thousands of others round about you Grace unto you and peace be multiplied 3 5 Blessed be the God and Father of our Lord Jesus Christ which according to His abundant mercy has begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead to an inheritance incorruptible and undefiled and that fades not away reserved in Heaven for you who are kept by the power of God through faith unto salvation ready to be revealed in the last time What a vast mass of meaning is packed away in these words Men s books even when they are good are like gold leaf a little precious metal is very thinly hammered out so as to cover a wide surface but almost every Word in the Bible seems to contain a whole mine of heavenly wealth Note Beloved what Peter says concerning your new birth you are begotten by the God and Father of our Lord Jesus Christ At your first birth you were born in sin But now you have been born again through grace by the almighty power of God Notice also unto what you are born unto a hope that is full of life a lively hope a hope of immortality a hope whose root is in the grave of

Christ the empty grave from which He has risen and which is the assurance that because He has risen you also shall rise See further to what you have been born to an inheritance incorruptible and undefiled and that fades not away See also how that inheritance is entailed upon you for it is reserved in Heaven for you And see too how you are kept for it for you are kept by the power of God through faith unto salvation ready to be revealed in the last time

**1 & 2 Peter, Jude (Understanding the Bible Commentary Series)** Norman Hillyer,2011-08-01 The

Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. Jude, 2 Peter Richard Bauckham, 1983. The Book of Job among the greatest masterpieces of world literature deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience that it has to do primarily with the why of suffering or is the chief issue rather the problem of the moral order of the world of the principles on which it is governed. While many feel that Job is too long, full of windy and tedious words, Professor David J. A. Clines shows in detail how every element is essential and how only the interweaving of literary and theological perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography as well as pericope bibliographies unrestricted by scholarly apartheid which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-verse commentary, this volume never loses sight of the forest for the trees and especially in the Explanation sections constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the arguments and the identification of the distinctive viewpoints of the book's speakers. The textual Notes which center on explaining why the English versions of Job differ so amazingly from one another support the author's carefully worded Translation. In his Introduction, Professor Clines says, "Reading and close reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the theological ideas and the cunning of this most open of texts confronting its readers with two new questions along with any answer." *From Pentecost to Patmos, 2nd Edition* Craig L.

Blomberg, Darlene M. Seal, 2021-07-01. Pairing depth of scholarship with contemporary application, the authors of *From Pentecost to Patmos* have produced a unique introductory New Testament textbook. Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation, showcasing the historical, linguistic, and theological implications found in each book. This second edition includes expanded footnotes and a lengthier, up-to-date introduction to Paul. Newly added review questions, maps, and diagrams enhance the scholarship and make the resource truly user-friendly. 1 & 2 Peter, Jude Richard F. Wilson, Watson E. Mills, Richard B. Vinson, 2018-03-12. This volume encourages readers to enter the world and mind of the early church. In the commentary on 1 Peter, Vinson describes the letter writer's support and acceptance of his audience. Wilson's treatment of 2 Peter explores the exhortations for those who would live a godly life and sharp cautions against being led astray by the whims of popular culture. Mills explores Jude, the book that

demonstrates that a life of fidelity requires both a dogged pursuit of truth and obedience Written by accomplished scholars with all students of Scripture in mind this innovative new commentary series is designed to make quality Bible study more accessible Pastors professors and students of Scripture are discovering that this commentary is a wonderful new tool for enhancing interpretation
