Local Seo Tom Crandall,2016-11-17 Ever wonder how businesses rank locally when performing a Google Search I did so I set off on a mission to uncover a consistent method to help boost a business s local ranking In my very first publication *Local SEO A Roadmap To Successful Local Ranking* I am going to walk you through some of the best Local SEO techniques to get a business not only discovered locally but ranked Whenever you perform a Google Search Google s algorithm takes over and provides result listings that best match the criteria according to Google s page and domain ranking factors For those that don t quite understand ranking factors let me explain Each page and domain has a ranking value These are typically called Page and Domain Authority The higher the authority the higher the page will rank Google and other search engines determine a pages rank or authority based on various search metrics including content keywords number of backlinks age of the website title header tags images and so on For any given localized search the results are usually broken out by Paid Advertising Shown at the top and bottom of the listings Local Business listings Business listings from Google Maps Organic Search Results Everything else In this book *Local SEO A Roadmap To Successful Local Ranking* I am focusing on the Local Business Listings and how anyone using my methods can boost their local presence on the web A little bit about me My first experience with computers was on Christmas day when I opened up a game called Pong It was one of the first TV computer games and at the time it was cutting edge Fast forward a bit and my dad bought an Atari 800 computer that I somehow convinced him was better than the Apple alternative Needless to say I used the Atari more than he did Fast forward a bit more and I was in college studying computer science When I graduated my first real job was programming expert systems That job only lasted a short while and then I became a System Analyst working on all sorts of Government Projects In 2008 I moved to a place called Austin and really got my feet wet designing websites for clients During that time I also became interested in all things SEO but never really got to flex my muscles It wasn t until 2016 that I found myself unemployed and wondering what I should do in life After countless resumes failed to get traction in the job market for positions I was interested in a realization hit me that maybe I don t need a company to work for but rather work for myself My wife Kathleen and our pug Olaf were very supportive of the idea So I started a company called <http://HangTenSEO.com> with the goal to help clients out rank their competition Along the way I also started writing articles on SEO best practices which were in many ways teaching moments for me In writing the articles I really had to understand the subjects I was writing about and how to use the techniques to get the best results

Local Seo Ray Perry,Phil Singleton,2016-05-18 How to Find Countless Customers In Your Area with Local SEO Wouldn t it be great if you could generate new business leads every single day

Chances are that you have been working on your online marketing campaigns for quite some time. But maybe you're still not getting the results you really want. What if you could count on generating new LOCAL traffic to your website every day? That wish can easily become reality with Local SEO. Being an entrepreneur, your daily life is probably pretty hectic. Running a business can easily feel overwhelming, especially if you have employees counting on you for their income. Keeping your existing marketing plan on track might feel like a full-time job. How can you possibly add more tasks to your online marketing checklist? Local SEO can give you the extra daily traffic your company needs while barely adding anything to your regular marketing schedule. It will work for you because once you get some key elements set up and tweak a couple of your everyday online marketing efforts, your Local SEO strategy will be up and running.

Meet Your Community David Hurme, 2019-08-04. For businesses to survive, they must have continuous sales. To have constant sales, you must have a continuous flow of potential customers. To have a continual stream of customers, customers need to find you. However, most businesses are not spending the time to ensure that potential customers can locate their business. Alternatively, the potential customer may not know the company exists. Therefore, the small and medium-sized business will continue to lose potential traffic to larger organizations. These more prominent companies can employ external consultants to help them be found on the search engines. We wrote the book *Meet Your Community: A Guide to Implementing Local SEO for your Business* with the small and medium-sized business owner in mind. As a consulting firm, we recognize that the cost of outsourced help can be a limitation for some businesses. Therefore, the book was designed to take the business owner on a path so that they can do Local SEO themselves. Local SEO can help their business be discovered in local search. The path of the book begins by explaining what Local SEO is and what traditional SEO is. We then introduce you to Google My Business and Bing Places and walk you through the process of establishing your

business profile with them The book then addresses things that you can do for your website that will help increase your discoverability The book then moves away from your website and focuses on external sites that you can use to help drive traffic to your website We then talk about reviews and Questions and Answers that will play an essential role in driving your Local SEO presence We provide an excellent terms glossary for you to refer to and a summary resource list of websites mentioned throughout the book The book provides you with the roadmap we followed in doing Local SEO for our business We have created a separate pdf that you can download and print from our website the passcode is in the book We also created a citation information worksheet that you can download as well to help when you create your citation entries Last but not least we created a Closed Support Group to help you with any questions you have as you implement Local SEO for your business The passcode for the group can be found in the book You can also get a free Local SEO analysis of your business from our website that can identify areas for improvement Local SEO is a journey and Meet Your Community will hopefully be the compass for small and medium sized business owners
