Time Management Expertise Training Guide Dwayne Anderson, 2020-03-18 Time Is What We Want Most But What We Use Worst Doesn't it feel like sometimes you never have enough time Where are all those seconds going If you find yourself wondering that too often it simply means that you can't manage your time well There are many things in life that are outside of your control but how you spend your time is not one of them Time Is The Equalizer Of All Life On Earth If you lose money you might get a chance to make it back but a wasted hour is irreplaceable You have the same amount of time in a day as everyone else 24 hours What you do with the 24 hours you're given determines your successes failures and contentment in life Proudly Presenting Time Management Expertise Training Guide Whether you want more wealth more friendship more freedom or more impact it all comes down to how you spend and value your time An individual should understand the value of time for him to succeed in all aspects of life People who waste time are the ones who fail to create an identity of their own When we fail to prioritize our time effectively daily life can descend into chaos Even the simplest of tasks like picking up the shopping can feel like a mountain to climb But before we proceed further let us inform you that you are not alone battling to getting your life on track There are millions who are sailing in the same boat as you Take a look Some Interesting Facts An average person spends 3 hours and 15 minutes a day 49.4 days per year on phone conversation People spend an average of 5 years and 4 months of their life on social media but only 1 year and 3 months socializing with real people The average working person spends less than 30 seconds a day in meaningful communication with their children 20% of the average workday is spent on crucial and important things while 80% of the average workday is spent on things that have little value or no value We are our own worst enemies when procrastination and disorder take hold but the good news is that we can completely avoid feeling overwhelmed in this way We can learn to manage our time better And we MUST because poor time management isn't just irritating it can have very real and very negative consequences for our lives and ultimately our health and wellbeing Prevent Life From Spiraling Out of Control Learn Time Management Time Management refers to managing time effectively so that the right time is allocated to the right activity Effective time management allows individuals to assign specific time slots to activities as per their importance Maximize Your Productivity And Create More Time For Yourself With These Advanced Tips And Techniques A detailed well researched info guide that will help you to learn how you can manage your time and avoid burn out quickly and easily So that you can get more things done in less time and take control of your life

Alt-Education Catherine Tebaldi, 2025-07-25 Alt Education looks at the stories the right tells about schools a fight between an evil indoctrinating government and a far right freethinking truth warrior between a frigid cultural Marxist teacher and a loving Christian mother This book explores the link between education gender and far right metapolitics and offers insights into the ways in which it circulates and is normalized Through digital ethnography and fieldwork it explores the production circulation and interpretation of these discourses and the ideologies they express tracing their movement

across four groups of women in the US and UK fascists white nationalist Christian nationalists and Republicans Although often understood to be opposed to education the far right is instead opposed to schooling and offers its own practices of alt education Through media alternative schools and home education the far right teaches their ideologies of gender and race knowledge and power as well as transmitting alternative histories sociologies and conspiracies From mom s groups to digital discourses about the evils of public schools social media are key arenas in which women not only teach but are taught far right alternative knowledge Alt education teaches reactionary ideology as a timeless truth normalizing it through discourses of home family and love At the same time alt education borrows and co opts the language of critique normalizing racism sexism and fascism a kind of alternative knowledge while making it exciting as a countercultural critique of woke liberal indoctrination The book concludes with a look at this attempt to speak post truth to power as a way of normalizing and spreading their ideology bringing alt education to a wide audience as their critiques of woke politics spreads across the US UK and into Europe This book is aimed at scholars of the far right and gender as well as scholars and practitioners of education Written in an accessible and engaging tone this book will be of interest to both researchers and advanced undergraduates
