a keyword search on it You will likely get the following topics Acoma dog training Adult dog training Adult dog potty training Aggressive dog behavior training And so on If you think any of the topics on this list appeals to you based on factors such as high monthly search volume and low competition then you can proceed to find a list of keywords for this niche that you can create content on You should choose a niche that has a large list of keywords or related keywords so that you can build more content for your site The bigger your site the better When you have chosen your niche the next step is to start building your website and deciding on how you intend to monetize it
