I have no trouble following these directions. Even though I touched various aspects of the niche site building process in this book, I tried to keep my focus mostly on the SEO aspect of this process. As you will learn, how SEO for niche sites can vastly differ from those of the authority type sites. George Lambert, *Insider Secrets to Making Money with Niche Sites*. Brian Cliette, James Taylor, 2015-08-14. Making money with niche websites. Websites and the World Wide Web have, of course, become an integral part of daily life. Whether you are looking for a weather report or the latest stock price or for information on the latest designer fashions, all of this information can be found on various websites all over the Internet. Websites have become an integral marketing tool for large corporations and small businesses alike. These can include everything from aviation companies to local zoos in a given area and everything in between, which is where niche websites come in. Niche websites are designed to market information and products to a very specific demographic. For instance, scale model airplane pilots or model train enthusiasts or Civil War buffs or movie fans, foodies or babysitters. If you have a wealth of knowledge and passion for a particular subject, then there are probably others like you that are willing to pay for information and updates concerning their favorite subject, as well as products and accessories that have to do with their area of interest. Niche websites are an excellent way to get into the Internet entrepreneurial market. So if you've always wanted to have your own website so that you can share your passion with the world and make money in the process, this is definitely the class for you. This class will teach you everything you need to know to operate a successful website concerning your favorite area of interest, regardless of the topic, for financial gain. You will learn everything from building a simple website using free web building platforms and/or software or how to find a reasonably priced web designer to help you build a website from scratch or how to find the best price on a ready-made website concerning your specific niche. You will also learn things like how to keep your website updated with fresh content to attract visitors and turn those visitors into customers and establish a loyal and reliable customer base. You will also learn things such as how to create articles and content that will respond to search engine algorithms and make your website even easier to find, as well as the best way to advertise your website. Not to mention receive and maintain positive and quality feedback on all of the various social media outlets and so much more. By the end of this course, you will have a solid foundation on which to build a solid business operating a website about your passions. What you will learn:

- 1 You will learn how to conduct proper market research to make sure that there is a viable market that is not overly flooded concerning your specific niche.
- 2 You will learn the basics of formatting and creating free websites with open source platforms.
- 3 You will learn how to create unique and interesting content to keep your visitors coming back and turn them into loyal customers.
