### **HOW to MAKE MONEY**

**DROPSHIPPING: on Autopilot Do the Work Once and Profit Forever** Brian Graves, 2017-09-13. What's better than passive income? I set this drop shipping method up where I am bringing in decent income BUT only work 3-5 hours per week to do it, and that's just to drive traffic. The rest is totally automated. Join me to learn how. My Method is NOT about going around trying to find the best product on Aliexpress, Ebay, Amazon, etc. they work of course and I do use them, but this method is about a drop shipper. NO ONE is using to make the entire process automated. How many people's courses have you bought online that can say that I love passive income and will show you exactly how I do it? None of the following are needed: No Design skills, No Programming or Coding, No Technical Madness, No Prior online experience, No full time hours, No Inventory is ever needed at your house. EVER. Yes. AUTOMATED. Let's say you sell an item for \$35, this may seem small and it is, but just think if you made only 10 sales per day. That is \$350 per day. That is over \$10,000 in profit every single month. Now all the sudden that \$35 is looking pretty good, right? But the truth is you won't have to have 10 orders to make that much because you will have other products in your store. Who goes to the store and just buys 1 item, right? So let's say your average sale gets you around \$70 profit. Now you only need 5 sales a day to make \$10,000 a month in profit. Seriously, 5 sales a day, and this is passive stuff. Of course that isn't the max that you can do. No one is stopping you from doing 10 sales a day or 50 sales a day. My

method will fill your store with hundreds and hundreds of unique custom products within minutes the more things you have in your store the more you will sell the higher your average checkout will be that is the truth You want everything you do online to be hands free automated as possible You do NOT want to spend 60 hours a week uploading pictures setting prices created pages in your store finding things to sell handling sales shipping product That s why you NEED my course to show you how I automate the entire process PLUS I am going to show you a totally unique and super cheap way to drive traffic to your store We are getting a 400% ROI with this traffic It s an easy method to set up and you could be running with it by tonight So Let s Recap I am going to show you how to set up a totally automated drop shipping store Plus you are going to learn how to drive traffic to your store Everything is covered to get you up and running within hours All that s left to do is hit the buy button and get started TODAY
