A 6 figure revenue CEO coach to thousand of students that left their 9 to 5 job behind them. The living proof that is possible to start from scratch and become millionaires within a few years. But Jordan McKelroy actually never existed. It took years and a lot of effort running away from my 9 5 job. Now some years later I make money comfortably from my own house in Bali. You won't blame me if I would never give up my privacy revealing my real name. Nevertheless, this will never stop me from sharing and teaching what I have learned on my journey to earning 6 figures a month. All this became possible thanks to a lot of hard work, sweat, and passion. Maybe this is not exactly the Easy Money Book everybody is looking for.
